Abstrak. Abstrak maksimum 150 kata dalam bahasa Inggris dengan font buku antiqua 11, 1 spasi. Abstrak harus jelas, deskriptif, dan harus memberikan gambaran singkat tentang masalah yang diteliti. Topik abstrak meliputi alasan pemilihan atau pentingnya topik penelitian, hipotesis, metode penelitian dan ringkasan hasil. Abstrak harus diakhiri dengan komentar tentang pentingnya hasil atau kesimpulan singkat.

Kata kunci: (abjad) 3-5 kata

Abstract. Maximum of 150 words in Indonesian with the letters Book Antiqua 12, space 1. The abstract should be clear, descriptive and should provide a brief overview of the problem being researched. The abstract includes *the reason for the selection of the topic or the importance of the research topic, hypothesis, research method and summary of results*. The abstract should end with a comment about the importance of the result or a brief conclusion.

Keywords: (not italicized, written alphabetically) 3-5 words

A. INTRODUCTION

In this section, the author describes the background of the research/writing, research problems and/or the purpose of the research/writing. The description is narrative without being separated into several new subheadings. This section contains the latest developments in the field of science being studied, an

explanation of the gap (*das sein* vs *das solen*), the researcher's argument and the purpose of the research. **[Justify/ right-to-left alignment, Book Antiqua 12, space 1,5)**

B. THEORETICAL FOUNDATION

In this section, the author describes the literature review used, it can contain several sub-sections, for quantitative research articles it is necessary to write a research hypothesis. **[Justify/ right-to-left alignment, Book Antiqua 12, space 1,5)**

C. RESEARCH METHODS

In this section, the author describes several sub-sections: research participants, measurement tools, research procedures, data analysis techniques. **[Justify/ right-to-left alignment, Book Antiqua 12, space 1,5)**

D. RESEARCH RESULTS

In this section, the author describes the description of the research results, which can be accompanied by a table. **[Justify/ right-to-left alignment, Book Antiqua 12, space 1,5)**

E. DISCUSSION

In this section, the author describes the elaboration of the research results. **[Justify/ right-to-left alignment, Book Antiqua 12, space 1,5)**

F. CONCLUSION

In this section, the author describes the summary of writing and practical and theoretical advice. **[Justify/ right-to-left alignment, Book Antiqua 12, space 1,5)**
