Staunton High School Athletic Booster Club Kurtz/McGrath Scholarships

Each year the Staunton High School Athletic Booster Club has been proud to give two (2) \$750 scholarships to deserving Storm athletes to help with their post high school education. These scholarships will be given to one boy and one girl, but limited to this requirement, who apply for and meet the established criteria. The established criterion is based on the following:

Participation and Achievement – The applicant must be one who has gained success from participation in sports at Staunton HS and has achieved his/her potential to a high degree. Participation is all encompassing and the applicant may be an athlete, manager, or trainer who has made a dedicated contribution to athletics at Staunton High School.

Character – The applicant must be strong in traits which exemplify high moral character, leadership skills and strong academics. The applicant must have participated in extracurricular clubs and activities at Staunton High School.

Financial Need – The applicant must not be receiving full financial assistance as a direct result of athletic participation. The financial circumstances of the applicant must be such that this money be needed and used for the continuance of his/her education.

All applicants must be graduating seniors at Staunton who plan to continue their education. Two (2) scholarships will be awarded annually in the amount of \$750 each. All applicants must complete the attached application form along with three letters of recommendation, one each from a teacher, a coach and a personal, non-family member. The entire application must be returned to David Tibbs, Activities Director, by May 2nd, 2025, of their graduation year. Selection of the candidate will rest with the Staunton High School Athletic Booster Club Scholarship Committee who will review all applications and make their decision based on the criteria.

Incomplete applications will be disqualified.

Due Date: May 2nd, 2025
