

Name:

Persepolis 1st Page Analysis

Directions:

- Read the 1st page of *Persepolis* (below)
- Answer SCASI questions below (Setting, Character, Action, Style (literary elements/art), and Ideas (topics that could turn into themes))
- Be prepared to share out your observations.

Answer each of the following questions with a few bullet points:

1. What do we learn about the culture of this society?

2. What do we learn about the main character and how she fits into the culture?

3. What [stylistic devices do you observe](#)? What do you notice about the use of color and shapes and figures? Use the attached handout to help you.

4. What are some “topics” covered on this page? What are some important ideas that could potentially turn into themes?
