Global Digital Corps FieldOps Division

Cadet Training Certificate

This is to certify that

S.SURAJ

has successfully completed the training for
GDC FieldOps Cadet Training Program.

The training involved two courses that covered
how government systems work during emergencies and
exposure in using CoronaSafe Network, a digital public good
recognised by the United Nations that is used in
disaster management by state/district administrations.

At time of a national emergency, the certificate holder has a basic
understanding of disaster management and field operations and
can be a valuable volunteer for the benefit of the society.
