## Share Your Partnership Story

Colorado's Digital Access Team wants to gather stories that shine a light on the value of partnerships! Let us know how partnerships have strengthened your work.

These stories will be shared during [National Digital Inclusion Week](#) (October 6-10) across our social media, newsletter, and website. These stories may also be used for future Digital Access Team reports and funding applications. Your stories may be edited for brevity and clarity and quotes may be pulled from your entry.

1. Name:
2. Email:
3. Organization Name:
4. Organization Email:
5. Organization Website (if applicable):
6. Briefly describe your organization's work in the digital inclusion space.
7. Share how partnerships have strengthened your work by answering one or more of the following questions:
  - a. Who has your organization partnered with in the digital inclusion space?
  - b. What have you learned from this partnership? How has this partnership changed your approach to digital inclusion work?
  - c. What has your organization accomplished with a partner that you wouldn't have achieved on your own?
  - d. What made this partnership possible?
  - e. How have you navigated change alongside one of your partners?
8. Would you like to be tagged if your story is shared on social media? If yes, provide links or the handles to your organization's Instagram, Facebook, and X pages (as applicable).
9. Do you want to remain anonymous when your story is shared?
10. The Digital Access Team would love to hear more from you! Would you like to participate in a video or interview in which you share how partnerships have strengthened your work?
