

## **ANNOUNCING OUR EXTRAS SALE!!!**

Hi everyone! That's right! After many long months of waiting, **our much anticipated extras sale is set to start October 31, 2021 at 9:00 A.M. and will conclude on November 14, 2021 at 11:59 PM Vancouver, BC, Canada time (Pacific time)**, less than two weeks from now! Yes, we're opening a day earlier than anticipated and we promise it's not a Halloween trick!

**OUR SHOP LINK: [HERE](#). Please note that the products will not be available for purchase until the date and time of the sale. A few days before the sale, bundles will become visible but not purchasable until the date and time of the sale.**

If you're one of the many hundreds of people who have asked us if we have leftover books, we're happy to say that after taking stock of everything in our inventory, we have 78 physical books leftover (and a *ton* of merch!). While this might seem like a lot, please keep in mind that in the past, we've had this amount sell out in just a few hours. We expect these to go quickly!

\*\*\*

Never heard of *To Hell + Back: A Destiel Anthology*? You can see [our old campaign page on Indiegogo here](#) for details but the gist of it is that this is a fabulous high-quality 8.5" x 11", 280 page, 3.1 lb brick of keepsake Destiel goodness. It contains art, fic, poetry, and podfic from 80+ amazing creators! That means: 30 short stories and/or comics with a matching 30 full-size pages of art, 3 drabbles, 3 poems, 4 additional art pieces, and 3 podfics! You can also [see posts from people who bought the book in the past here](#); we sent out over 830 copies!

## **CHARITIES OF CHOICE**

We are an incorporated non-profit society in our home province of British Columbia, Canada. As in the past, **all proceeds of the sale will go to our charities of choice: [Wish Vancouver](#) and the Indigenous Residential School Survivors Society**. We chose to include the latter in addition to Wish in light of the recent discovery of unmarked mass graves at former residential schools in Canada. We hope our fandom can help support the families affected by this tragedy!

**LONG POST ALERT! Please read this post very carefully as it contains ESSENTIAL details about the sales process. We expect everyone who purchases an anthology in this leftover books sale to read, understand, and abide by the new conditions we have outlined in this post for the sale.**

### **THE NITTY-GRITTY ON SHIPPING COSTS:**

Below is an estimate of the maximum amount you may pay for shipping this book to your home. We are currently experimenting with implementing a shipping tool into our shop website that, if successful, will automatically apply the exact shipping cost to your order during checkout which should cheapen the cost. If we are unable to implement this tool, shipping costs will be as given below:

#### **Bundles 1-8 (contain a hardcover book):**

\$20 Canada (full tracking, expedited shipping, delivery in 2-9 days)

\$30 United States (full tracking, expedited shipping, delivery in 7-21 days)

\$125 Outside Canada & the US (full tracking, expedited shipping, delivery in 7-21 days)

#### **Bundles 9-11 (do not contain a hardcover book)**

\$13 Canada (full tracking, expedited shipping, delivery in 2-5 days)

\$18 United States (full tracking, expedited shipping, delivery in 7-15 days)

\*\*\*Unfortunately, as Canada Post does not offer expedited tracked shipping outside Canada and the United States, **we will not be able to offer bundles 9 through 11 for sale to residents located outside these two countries.**

Please note that Covid-19 is causing significant disruptions to parcel delivery so your package may be delayed. That said, most of our books were delivered on time or earlier than expected, especially within Canada and to the United States.

### **WHY IS SHIPPING SO EXPENSIVE?**

We sympathize and we wish we could discount shipping but as we are not a business (just 8 passionate fans who do this for free!), we are unable to subsidize shipping costs. This book is heavy (3.1 lbs!) with considerable amounts of merch included in each bundle which adds to the cost of shipping.

This time around, we are also unfortunately not able to offer the cheaper ground shipping option for international destinations. The downside is that the price of shipping is a lot higher, but the upside is that your package should arrive relatively quickly, and you should be able to track it all the way!

### **WHEN WILL YOU PACK AND SHIP THESE BOOKS OUT?**

We plan to ship and pack these books as soon as all physical copies are sold, which we anticipate to be within a few days of the sale opening. If there is any delay, we'll notify you with a post on our Tumblr blog, cross-posted to all our other platforms.

## **OUR POLICY FOR REFUNDS**

As this is a sale for leftover books and merch, once a purchase has been made, no refunds will be offered. Please choose your options carefully. If you purchase the wrong bundle by mistake, we will not be able to refund you.

## **OUR POLICY FOR LOST PACKAGES**

The purpose of this sale is to sell off all our remaining stock of books and merch. For this reason, if your package is lost during transit, we will unfortunately not be able to replace it. We will refund you the cost of the bundle **but we will not refund the cost of shipping**. That said, we sent out 830 or so books to destinations all over the world and we're happy to say that we only lost one book out of 830. Shipping via Canada Post is very reliable and we're confident that your book will land safely.

**Please note that if a book is lost because we were provided an incorrect name, address or phone number, we will not be able to refund you the cost of your bundle as Canada Post will not reimburse us if we submit a claim on your behalf.**

## **PRIVACY**

We understand that fandom is often a safe space that's more liberating than we may be able to have at home. **All our items for that reason come in discreet plain packaging** with no indication of the contents within.

We also treat your personal information carefully and with the utmost respect. We will never disclose your personal information to anyone else and it is used solely for the purpose of shipping your package, after which it is deleted from our records.

**Please be aware that residents outside of Canada will be required to provide a phone number to ship your package. Canada Post does not let us print a mailing label without a phone number. For that reason, if we notice that a bundle has been purchased without a phone number or with a false phone number, we will refund it automatically and without notice. Your phone number will only be used by Canada Post, customs agents, and your local postal service to contact you about your package; we will never personally call you. A phone number is also crucial so that your package can be redirected to you if it gets lost.**

## **I'M MOVING. CAN I STILL BUY A BOOK?**

Your shipping address should be good throughout November and December (in case of Covid-19-related shipping delays). If your address changes during this time, you will be responsible for redirecting the package to your new home; we will be unable to help you. Canada Post unfortunately does not allow us to redirect packages after they have left Canada.

**Please note that we will also not be doing address confirmations this time around (given the shorter turnaround time for shipping), so please input your details carefully, and let us know *immediately* if you need something changed.**

### **I CAN'T BUY A BOOK RIGHT NOW. WILL YOU PRINT/SELL MORE BOOKS IN THE FUTURE?**

*To Hell + Back: A Destiel Anthology* is an exclusive collection of fanworks published to honour the canon romantic relationship between Dean and Castiel and an ode to the fandom that has stood by this ship since the very beginning. As such, **we are never reprinting or selling copies of our anthology again.** This leftover book sale is truly the final and last time to acquire this book and associated merch, so please don't miss out! There will literally never be another chance like this!

### **WHAT'S THE DIFFERENCE BETWEEN THE DIGITAL AND PHYSICAL BOOKS?**

Both books contain the same stories, drabbles, poems, podfics, and artworks. The only difference is that the digital book does not include winchester-reload's exclusive physical book cover.

### **I MADE A MISTAKE WITH MY ADDRESS DURING CHECK-OUT. HELP!**

Please email us at [tohellandbackanthology@gmail.com](mailto:tohellandbackanthology@gmail.com) and we will fix it. If we have already shipped your package, unfortunately you will have to contact your local postal service to redirect it back to you.

### **HOW CAN I FOLLOW ALONG FOR UPDATES ABOUT MY PACKAGE, SUCH AS SHIPPING, DELAYS, ETC.?**

Please follow us on our Tumblr blog. We relay all important news first and foremost over here. We also cross-post to Twitter but Tumblr is the most important platform to follow us on.

### **I HAVE A QUESTION OR CONCERN THAT WAS NOT ADDRESSED HERE.**

We're happy to answer them and always open to receiving them! :) You can send us an ask on Tumblr here, contact us via email at [tohellandbackanthology@gmail.com](mailto:tohellandbackanthology@gmail.com), or message us on Twitter or Instagram! However, Tumblr will always be the fastest way to receive an answer so please know that we may be a little slower to reply back on other platforms.

\*\*\*

Well, folks, that's it for now! Please do read this post carefully and, as always, please don't hesitate to reach out should you have any questions or concerns!

Much love,

Your *TH+B* mods
