Adobe Photoshop Session REPORT

Name of the event: **Adobe Photoshop Session**

Date: **30th September 2023**

Venue: C121

Details of the Event:

The Adobe Photoshop session, organized by the FOCUS OFFICIAL STUDENT GOVERNANCE BODY OF CSE had the primary objective of providing students with a comprehensive introduction to Adobe Photoshop and equipping them with essential graphic design skills. This event aimed to empower students with practical knowledge and hands-on experience in graphic design using Adobe Photoshop.

Highlights of the Event:

1. **Workshop Content:** The session began with a detailed introduction to Adobe Photoshop, covering its interface, tools, and basic functions. Participants were guided through various hands-on exercises and practical examples.
2. **Experienced Instructors:** Experienced graphic designers and Photoshop experts led the workshop, ensuring that participants received high-quality instruction and advice.
3. **Interactive Learning:** The session encouraged active participation through interactive Q&A sessions, live demonstrations, and group discussions, making it engaging and educational.
4. **Practical Application:** Students had the opportunity to apply their newly acquired skills during the session, creating graphics, editing images, and working on sample projects.
5. **Networking:** The event provided an excellent platform for students to network with fellow CSE peers and exchange ideas and experiences related to graphic design.

The success of the Event:

The Adobe Photoshop session organized by the FOCUS OFFICIAL STUDENT GOVERNANCE BODY OF CSE was a resounding success, equipping students with valuable graphic design skills and fostering a sense of community within the CSE department. The positive feedback and increased interest in such events demonstrate the value of offering practical workshops to enhance students' knowledge and skills. Based on the success of this event, the FOCUS OFFICIAL STUDENT GOVERNANCE BODY OF CSE is considering organizing more skill-building sessions, including advanced Photoshop workshops and other design-related topics.
