

Wake Up Canon

Now all the woods are waking, the sun is rising high.
Wake up now, get up now, before the dew is dry.

Feel Good

Feelin' good, feelin' good. I got love in my heart and my soul and I feel good.
There's joy down in my soul, I can't explain,
Oh, I got to tell everybody I feel good.
Why don't you try love just for yourself,
If you do you won't need nothin' else.
Gives you power like he said it would, Oh.
I got to tell everybody. I got to tell everybody. I got to tell everybody. I feel good, good, good I feel good!

REPEAT ALL

What a Wonderful World

I see trees of green, red roses too,
I see them bloom for me and you
And I think to myself what a wonderful world

I see skies of blue and clouds of white,
The bright blessed day, the dark sacred night,
And I think to myself, What a wonderful world.
Yes, I think to myself, What a wonderful world.

Orchestra Song

The violin's ringing like lovely singing,
The violin's ringing like lovely song.

The clarinet, the clarinet, plays doodle, doodle, doodle, doodle det,
The clarinet, the clarinet plays doodle, doodle, doodle det.

The trumpet is sounding ta ta ta ta ta ta ta ta ta ta ta ta ta ta ta,
The trumpet is sounding ta ta ta ta ta ta ta ta ta ta ta.

The horn, the horn awakes me at morn.
The horn, the horn awakes me at morn.

The drum's playing two tones and always the same tones,
Five, one, one, five, five, five five five, one.

Our hearts are filled with song. We sing out strong.

Down at the Twist and Shout

Saturday night and the moon is out.
I wanna head on over to the Twist and Shout,
Find a two-step partner and a cajun beat, when it lifts me up, I'm gonna find my feet
Out in the middle of the big dance floor. When I hear that fiddle, wanna beg for more.
Wanna dance to a band from a Louisian' tonight.

And I never have wandered down to New Orleans, never have drifted down a bayou stream.
But I heard that music on the radio and I said someday I was gonna go:
Down a highway 10, past aLafayette; There's Baton rouge.
And I won't forget to send you a card with my regrets 'cause I' never gonna come back home.

Let Us Sing Together

Let us sing together, Let us sing together, one and all a joyous song
Let us sing together. One and all a joyous song.
Let us sing again and again, let us sing again and again,
Let us sing again and again, One and all a joyous song
