Dear Group Member -

I have completed the registration and paid the fee for our group to participate in the upcoming Orienteering meet. You do not need to complete your own individual registration.

*However, each member of our group must sign an **ONLINE Waiver** (link below) to participate in the meet. Any participant who is a minor must have a parent or guardian sign their waiver.*

Please open the link below and complete the waiver as directed and then hit the "SUBMIT" button. Your waiver will be automatically sent to the CROC Orienteering club.
