æñd (Finition)

Rich chocolate bread
Let my saliva flow freely
He seduced me
He seduced me
The lottery wasn't lucky either.
I hope to become wealthy, but
Realistically grasp and reclaim reality
The black dog laughed at me once.
Honey, I must say that our feelings seem similar to life.
Fingers clasped tightly, pleading for happiness until you proposed a breakup.
It seems we both want to let go of each other.
Misfortune can also be good.
We will immediately finish.
Everything changed with the meteor.
But it never responded to me.
We will immediately finish.

It was you who deceived me in the mist.
Submerged me, I knew everything.
We will immediately finish.
Forgive me, I wasn't sincere.
Ah oh! (I accidentally said it)
Open my heart
Christmas tree
It's not hard to see
He is an angel of the devil
Specializing in deceiving angels' wings
Angels, ignore him
Don't be fooled by his flamboyance
Honey, I must say that our feelings seem similar to life.
Fingers clasped tightly, pleading for happiness until you proposed a breakup.
It seems we both want to let go of each other.
Misfortune can also be good.
We will immediately finish.
Everything changed with the meteor.

The Beginning of Freedom

Every day, I pick up your phone.
I saw a stranger's avatar above.
Then the story began.
I fell silent for a long time.
Think about how to handle it

You are watching TV carefree.
You want this eternal secret to remain undiscovered.
But I never expected that I would become aware of it.
I find it boring to say I love you, yet you return to loving me.
At that moment

One day, you are no longer my friend by my side.
And a terrifying individual
And now, all of this is so unhappy.
One day, you took a turn for me.
Hurt my heart and let him suffer punishment.

Those past collaborations, memories, and美好、moments
Vanished from my sight in an instant
Our team, our original aspiration
Also turned to ashes at this moment
Don't cry; I don't have time to mess with you.
I don't have time to play with you either.
Only knowing how to sleep soundly like a beast
It's really a bus transfer station.
This is the beginning of freedom.

The first step towards freedom
It's about learning to speak up and communicate with others.
But I always get used to it.
And fear took away freedom.
And I could only retreat again and again.
You're just like the hellish hell, shit, and beasts.
Just to take me to experience it

One day, you are no longer my friend by my side.
And a terrifying individual
And now, all of this is so unhappy.
One day, you took a turn for me.
Hurt my heart and let him suffer punishment.

Those past collaborations, memories, and美好、moments
Vanished from my sight in an instant
Our team, our original aspiration
Also turned to ashes at this moment
Don't cry; I don't have time to mess with you.
I don't have time to play with you either.
Only knowing how to sleep soundly like a beast
It's really a bus transfer station.
This is the beginning of freedom.

Freedom means feeling lonely afterwards.
But I'm not afraid either.

No longer obsessed, no longer lost in self-indulgence
It's all because of exploitation.
I need free air
Freedom means feeling lonely afterwards.
But I'm not afraid either.
No longer obsessed, no longer lost in self-indulgence
It's all because of exploitation.
I need free air

One day, you are no longer my friend by my side.
And a terrifying individual
And now, all of this is so unhappy.
One day, you took a turn for me.
Hurt my heart and let him suffer punishment.

Those past collaborations, memories, and美好、moments

Don't cry; I don't have time to mess with you.
I don't have time to play with you either.
Only knowing how to sleep soundly like a beast
It's really a bus transfer station.
This is the beginning of freedom.
You pushed me into heaven, sparing me from innocent suffering.
Free air

Elizabeth HELI

Elizabeth HELI
This is a ray of redemption.
He made a phone call in parallel time and space.
I picture the beauty of the past in my mind
Oh~ I often feel like I don't have to be this eye-catching.
All those who say they love me
All promised to stay
Under the illumination of streetlights at night
seems out of place
But a dawn slowly illuminated
Parallel spacetime resides in my heart
I want to understand you
Like our shared resonance "æŋd"
I will shut him down with my own hands.
Elizabeth HELI
Tell me the truth

This is a ray of redemption.

I have always been sad, never happy.
I won't feel afraid; there's no need for me to experience it.
When Mona Lisa smiled again, the moment she smiled
Your beauty is irreplaceable, Mona Lisa.
I have always been sad, never happy.
I won't feel afraid; there's no need for me to experience it.
Honey, I'm willing to use Bulgari with a trustworthy person.
We arrived at the best private room at Hugs & Kisses restaurant.
They sweet-talked me, but I only said "get out."
You are as if you have been drugged.
I think you're willing too.
If it matches the answer in my heart
I will shut him down with my own hands.

Elizabeth HELI

Elizabeth HELI

This is a ray of redemption.

Am I worthy of it?

All my loved ones and wonderful times are happy.
Everyone around cannot have it.
All my loved ones and wonderful times are happy.
Everyone around cannot have it.
I will shut him down with my own hands.

Freak Sisters (feat.Bella)

We have been sisters in a family since we were young.
But because of sex, they didn't understand what I meant.
I need to force a sexual act.
But because of sex, they didn't understand what I meant.

They advised us not to
Call us "be a little more obedient"
但我們絲毫不在乎
Originally, we could have been good girls, but we chose not to.
I want to turn a night of revelry into nine days and nine nights.
Take a look at us now
Completely letting go of such wildness
We play big together by ourselves.
Very familiar with each other is much better than your fake friendship.
My pride is my odd sister.

Strange Sisters
Strange Sisters
Strange Sisters
Oh yeah, look at how sweet we are
No need for fake friendships

Once upon a time
I met a fake friend
He once said I am so beautiful and captivating.
Want to become lifelong friends with me
But I realized it was too late.
Everyone is just greedy, but I have money.
There has never been a truly sincere friend.
This tells me that there is no one in the world who can be trusted.
Until your arrival, I felt a pure friendship like never before.

Now I begin to cherish our friendship.
Someone hurt you
That's when we let him know our terrifying nature.
We are oddball girls, recognized worldwide.
Do not feel that our behavior is strange.
We are just enjoying life and finding joy in the present moment.
No matter when, we are always here.
Enjoy life to the fullest

We must be standard freaks.
Don't try to dictate to us; comment on us and say our mistakes.
We must be standard freaks.
Don't try to dictate to us; comment on us and say our mistakes.
We must be standard freaks.
Don't try to dictate to us; comment on us and say our mistakes.

Forever: Hate

It was he who gradually made me a waste.
It was him who isolated me from my surroundings.
It was him who got me lost, leaving me with fewer and fewer friends.
It's more like a horrific ending than a tragic story.
Everyone advised me to consider
Everyone reminds me to be cautious and attentive.
Everyone hopes I am happy.
But whenever I feel it's right
The outside world always thinks I am wrong.
But because of my stubborn insistence, their clarity was rejected by me.
I desperately tried to prove that I was right, but reality gradually turned against me.
But I didn't mean to be a prostitute.
It is not rational either.
But I have always been clear-headed.
I have always put myself on the right path.
Gentle Assassin
It's always hard to bring myself to do it.
Despite hating, I still managed to hold back.
I will never forgive myself forever, ever, ever.
Did you know that I laughed so happily last time?
When recognized by the class
Back then, you weren't here.
It must have been back then
I am preparing to find true love.
Very soon, I met you.

The question you asked when you first fell for me
At the time, I said I couldn't believe it anymore.
That was me lying.
Every call
All have descended into the depths of hell.
So we put down the butcher's knife and stepped into each other's hearts.
But I didn't mean to be a prostitute.
It is not rational either.
But I have always been clear-headed.
I have always put myself on the right path.
Gentle Assassin
It's always hard to bring myself to do it.
Despite hating, I still managed to hold back.
I will never forgive myself forever, ever, ever.
We together
A romantic moment passed.
park bus stop and alleyway
What I said was very foolish.
Because I thought I had finally found that happy day.
Purity of heart
Like being polluted into a black heart
Even beggars by the roadside disdain keeping me company.
You've found a new lover.
But I didn't mean to be a prostitute.
It is not rational either.
But I have always been clear-headed.
I have always put myself on the right path.
Gentle Assassin
It's always hard to bring myself to do it.
Despite hating, I still managed to hold back.
I will never forgive myself forever, ever, ever.
Never forgive yourself
I will never forgive myself
I will always hate you.

After rain

I can't describe the romance we once shared.
The crack in my heart was torn open by your own hands.
The rainbow before me scattered after the rain, and as I looked back, the sky gradually
became clearer.
Sweet words that deceive you smile at me and say
I closed my eyes as if you were by my side when the truth had been revealed.

I didn't have time to speak; my voice was somewhat clear and calm.

Only then did I realize that love is an illusion; after you turn around, I can only let go.
I increasingly understand that loving or not loving has become a burden of yesterday.
I want to embrace the new blue after the rain with ease.

Your lies are the price of disappearance.
I don't want to be bound and bear the burden of the past; let's see the sky light up again.
I didn't have time to speak; my voice was somewhat clear and calm.
Only then did I realize that love is an illusion; after you turn around, I can only let go.

I increasingly understand that loving or not loving has become a burden of yesterday.
I want to embrace the new blue after the rain with ease.
How many nights have you told me not to come back after letting go of my resolve?
I smiled as my blurry heart finally let go.

I didn't have time to speak; my voice was somewhat clear and calm.
Only then did I realize that love is an illusion; after you turn around, I can only let go.
I increasingly understand that loving or not loving has become a burden of yesterday.
I want to embrace the new blue after the rain with ease.

I expelled it from the hospital.
Sent some bones and talked to it about it.

It didn't give me anything
It can only stay now.
It changed my life.
It may appear simple and easy to take care of, but in reality, it has a large appetite and

Energetic energy really gives me a headache.

Milk&Tea

Afternoon tea shop standing in a crowded corner
My heart felt a bit stifled until I heard the gentle breeze.
Suddenly wanted to step outside
Just taking a break seems pretty good too.
There's a bit of wonder about today's mood shift.
Am I starting to realize
Is the world shining before my eyes?
Although no one can confide in me
(But I'm happy at this moment)
Feeling good in the sun on the green grass
Feeling at ease even when no one is talking.
Take a gentle breath (breathe) and forget your worries.
You can drink fresh milk tea (milk tea) or hot black tea.
Feeling good in the sun on the green grass
Feeling at ease even when no one is talking.
Take a gentle breath (breathe) and forget your worries.
You can drink fresh milk tea or hot black tea.

Isn't that pretty silly? I keep thinking about it all day long.
Yesterday, today, and tomorrow
Isn't that pretty silly? I'm always trying to be strong.
Yesterday, today, and tomorrow
Am I starting to realize
Is the world shining before my eyes?
Although no one can confide in me
(But you see, I laughed.)
Feeling good in the sun on the green grass
We chat lightly, and our moods soar.
Take a gentle breath (breathe) and forget your worries.
You can drink fresh milk tea (milk tea) or hot black tea.

My Countryside Diary

Ordinary days
Eating steak as usual
Live a refined life and an interesting one
This is my life.

This way, we don't need to take care of anyone.
Live freely for yourself
Let it continue like this
I am free. I am free. Ye.

One day, you appeared in my world.
My world sometimes requires attention to love.
See you
you-ou-ou-ou-ou-ou
you-ou-ou-ou-ou-ou
you-ou-ou-ou-ou-ou
you-ou-ou-ou-ou-ou

Wish me happiness in the future. See you.

The notes are filled with longing for you.
I am just beginning to feel
As tender as before, we
We are facing a love war.
Rather than talking about love, it's more about causing problems.
see you see you

Solovely

If introduced, I would wish I were "SOLO"
Because I want some space
Mamma Mia~
When someone asked me "Lovely"
I am actively denying it.
At the party
That bad man touched me with his dirty hands.
But it's already too late.
If someone says I don't have "Lovely"
That was a meeting at the intersection of the street.
Familiar stranger
They say none of this is worthy of me.
I'm sad to go home.
But your genuine intentions
Rescued the sorrowful me
When you say
Lovely
Winter hot chocolate under a clear blue sky
If introduced, I would wish I were "SOLO"
Because I want some space
Misunderstood kisses, no time for preparation
You lit my Love, and my mind started wandering.
That man made me look forward to it during the day.
I pondered for a long time, what is the true intent behind your love? What plans do you
have?
You can love me forever
Object
When someone asked me "Lovely"

Rescued the sorrowful me

When you say
If introduced, I would wish I were "SOLO"
Because I want some space
And you'll give me some quiet space.
You became a different person
Special and Unique "Lovely"
You have always silently guarded us.
This is the surprise you've carefully prepared for me.
Bought your kindness to me
To lay out our entire lives
Lovely
When someone calls me in the middle of the night to disturb me
You might think it's an obstacle
And you'll anxiously eavesdrop from the side like a puppy.
Until you ignore me in the morning
When someone calls me Lovely
They always step on your lightning point.
But when you tell me
Yet it's particularly pleasant to listen to.

Ego

Got that uh-huh, that uh-huh
Big, big uh-huh, uh-huh
That uh-huh, uh-huh
Big, big uh-huh, yeah

Like my Ego
Everyone admires him.
How I Turned the Tide Against the Heavens
Yeah, describe me as a king.
Boom, boom, shake the ground
Make way, because I'm coming (Yeah)

Be cautious when choosing friends
Caution has become your biggest weakness.
Boom, boom, shake the ground
Make way, because I'm coming (Yeah)

Move aside, move aside, even a national meeting has my business.
I exude an incredibly strong presence.
The moment you step onto the stage, you'll understand.
I regard my Ego as sincere.
Even now, I have to queue up to make a reservation.
Do you want to enjoy this treatment?
It's like

Got that uh-huh, that uh-huh
Big, big uh-huh, uh-huh
That uh-huh, uh-huh
Big, big uh-huh, yeah

Former underclass ridicule
Suffering from illness
I can't even imagine how I managed to survive.
You have no right to instruct me.
Also, they have no right to command me.
My confidence and energy are my most confident motivators.
Baby, mm, this is Ego
I use my strength to perform a perfect magic trick.
No one can match me.
No one can easily accomplish it.
A massive transformation that took over a decade to complete
Like, mm, this is Ego
Mm, I cannot share this with you either.

Move aside, move aside, even a national meeting has my business.
I exude an incredibly strong presence.
The moment you step onto the stage, you'll understand.
I regard my Ego as sincere.
Even now, I have to queue up to make a reservation.

HELI's era (ends)

There have been so many times in this lifetime
How happy it is to have an experience
That beautiful sky took care of it.
My heart and the azure sky

There have been so many times in this lifetime
How happy it is to have an experience
That beautiful sky took care of it.
My heart and the azure sky

Fall leaves return to the earth
We used to be the same way.

Who could have imagined that they would leave me in the next second?
Left with just one lamp, lonely us

In the cold wind, there lingers the innocence of the past.
Rapid withdrawal, like time itself

Reflections in the Grand Canal: My Reincarnation from a Previous Life
Unfortunately, it has long since become a thing of the past.

Fall leaves return to the earth

Reflections in the Grand Canal: My Reincarnation from a Previous Life

Unfortunately, it has long since become a thing of the past.

Regrettably, this time it happened.

It's true, yet it's not true.

In the night, tears continuously woke me up.

Cry out loud and find relief in your joy.

《The Creators of a Thought》

HELA The 3rd Full Album | 正規三

思想，從來不是憑空出現的。

每一個念頭，都來自一次經歷、一段情緒、一個無法忽視的瞬間。

《The Creators of a Thought》是一張關於「思考如何誕生」的專輯。

在這裡，音樂不只是情緒的出口，而是觀察、質疑與自我對話的過程。

每一首歌，都是一個念頭被形塑的軌跡——

從混亂、猶豫、崩塌，到逐漸成形、被理解、被接受。

這不是一張試圖給出答案的作品，

而是一張邀請你一起思考的專輯。

我們都是思想的創造者。

而這張專輯，記錄了那些誕生之前的瞬間。

感謝每一位願意傾聽、願意思考的人。

在這張專輯裡，我把腦海中最真實、也最混亂的部分交給了音樂。

如果某一首歌剛好停留在你心裡，

那麼這個念頭，就不再只屬於我。
