

South County Art Association Instructor

Laurie Klein

Renowned photographer and educator, Laurie Klein, is regarded as one of the most influential infrared photographers in the world. Laurie holds a BFA from Rochester Institute of Technology and an MFA from Ohio University. She is the author of *Infrared Photography: Digital Techniques for Artistic Images*, *Infrared Photography: Artistic Techniques for Brilliant Images* and *Photographing The Female Form with Digital Infrared* all published by Amherst Media and *Hand Coloring Black and White Photography* published by Quarry Publishers. Laurie teaches regularly at Santa Fe Photographic Workshops, Maine Media, Peter's Valley Center, numerous other schools and venues, and in her own boutique workshops.
