

## **Title of the Article (14pt, Bold)**

(Specific and reflect the essence of the article, written in a maximum of 15 words)

First Author, Second Author, third author, and so on **(12pt) full name, written without academic title)**

Department, Faculty / School, University / Institution **(12pt)**

Complete address of the university / institution **(12pt)**

Email : [email@address.edu](mailto:email@address.edu) (12pt)

[email@address.com](mailto:email@address.com)

[email@address.co.id](mailto:email@address.co.id)

## ***Abstract (12pt, Italic, Bold)***

*The abstract is written in italic English with a maximum of 250 words. The abstract should be a single paragraph that briefly describes the purpose of the study, method(s), results and discussion, conclusion, and significance of the study. The abstract is clearly described as the core of the study.*

***(12pt, Italic)***

***Keywords (12pt, Italic, Bold):*** Immediately after the abstract, provide 3 to 5 keywords (words or phrases) chosen to reflect the article's concept and help access searches online. The keywords should be written in alphabetical order. ***(12pt, Italic)***

## **Introduction (12pt, Bold)**

The introduction is written between **675-900 words**. This part provides the background of the study and provides significance of the study. A brief description of the theory used in this research should be explained in this section. The previous Research contains the gap analysis and the author's position in this study. It must also state the art and point out the research questions. In this part, the author(s) should use references (quotations) to support the argumentation. (12 pt)

## **Method (12pt, Bold)**

In this section written between **450-600 words**, the author(s) must mention the method and the approach used in this study. It should explain research procedures, study design, data collection, and data analysis. (12 pt)

## **Results and Discussions (12pt, Bold)**

Written between **3150 – 4200 words**. This section shows the results of the study and deep analysis or discussion, which answer the research questions. Also, the author(s) must discuss the findings by strengthening the reason with supporting details taken

from any references such as scientific journals, books, and other reliable sources. (12 pt)

### **Conclusion (12pt, Bold)**

Written about **225-300 word**. Concluding paragraph and provides the implication, limitation, and suggestion for further study. (12 pt)

### **Reference (12pt, Bold)**

The References must consist of all sources cited in the article at least 15 reference sources. Unless historical study, all the sources should be under ten years from publication. Sixty percent (60%) of the references should be taken from the journal article. (12 pt)

Follow the styles shown in the examples below for the journal article, specific chapters in books, and books, respectively:

### Tables and Figure

Tables and figures in the article are numbered consecutively using Arabic numerals (1, 2, 3, so on) and written with the caption and source of the figure and table. The maximum number of tables and images is **four pieces**. The table captions are written above the table (**12pt, Bold, Centered**), while the figure captions are below the figure (**12pt, Bold, Centered**)

Ex:

**Table 1:**  
**Enrollment in local colleges**

College	New students	Graduating students	Change
<i>Undergraduate</i>			
Cedar University	110	103	+7
Elm College	223	214	+9
Maple Academy	197	120	+77
Pine College	134	121	+13
<b>Total</b>	664	558	106
