This Between Shadow
Immersive Theatre Project Audience Sign-Up Sheet

A 40-minute, intimate immersive theater experience for only 10 audience members that walks among the watchers, those who no longer fear the dark, those who see “you” and your shadow.

Location: Zilkha’s South Gallery

- The show is specifically designed for 10 audience members per performance. *On cancellations:* We understand that things come up and plans change. If you can no longer make the show, please let us know or remove your name to free up the spot for someone else. Cancellations are strongly discouraged as they impacts others; if you must cancel, please do so with at least 24 hour notice.
- Please do not sign up for more than one slot.
- The performance is 36 minutes long. You will be separated from your group, and the show is not recommended for audience members who are not comfortable standing, walking, climbing stairs or being alone. Because of the immersive nature of this piece, audiences will be standing for several minutes at a time over the course of the performance and will also be required to navigate several flights of stairs. Audiences are encouraged to wear comfortable shoes.
- Our environments include water and chalk that can potentially stain clothing or shoes. We do not take responsibility for guests' personal items and advise you to keep this in mind when dressing for the show.
- We have a mandatory coat and bag check. Your items will be overseen at all times by a house manager, though we cannot take responsibility for them. Please plan accordingly.
- No food or beverage is allowed during the show.

Doors will open **20 minutes** before the experience and **there is absolutely no late entry**. Please be sure to arrive early to give ample time to check-in and secure your personal items.
