Hues In-die Box Polishes

Hues In-Die Boxes

January 2018 : Polish #1 is a beautiful thermal that shifts from purple (when cold) to sparkly silver (when warm) with a shade of blue in between and it has a pink shimmer that just glows in both the warm and cold states.

Polish #2 is a pink and purple flake-filled glitter bomb. It's absolutely gorgeous and has multichrome and iridescent color-shift flakes as well as pink and purple holo glitters.

December 2017: Polish #1 is a black (cold state) to clear (warm state) thermal polish filled with rose gold shimmer and holo. Polish #2 is a rose gold and gold flakies bomb sprinkled with a bit of glitters.

November 2017: Polish #1 is a beautiful blue to baby blue thermal filled with iridescent blue/aqua/violet color-shifting shimmer and just a hint of holo sparkle.

Polish #2 is a metallic white silver with a touch of iridescent pink/gold/green color-shifting shimmer and blue/aqua/violet multichrome flakes.

October 2017: Polish #1 is a stunning forest green sprinkled with orange microflakes, copper holo, and iridescent color-shift microglitters.

Polish #2 is a beautiful beige with an iridescent red/gold color-shifting shimmer and gold holo dust.

September 2017: Polish #1 is a black to red thermal polish filled with a red shimmer.

Polish #2 is a dark grey celly sprinkled with red/orange/gold/green iridescent color-shift shimmer and microflakes.

The scent of the month is called Brain Matter Splatte

August 2017: Polish #1 is an emerald to olive green polish, filled with a shimmer that shifts between red, fuschia, violet, and gold. It was inspired by mystical dragons and I wanted this polish to capture the scales and fire-breathing.

Polish #2 is a magical mix of holo rainbows, color-shift glitters, and multichrome flakes...a perfect polish for channeling your inner unicorn!!

July 2017: uly's Hues In-die Box? theme is Pool Party! Polish #1 is a bright bubblegum pink with a touch of shimmer, like it's been kissed by the sun! Polish #2 is a bright teal filled iridescent color-shift flakes, teal/blue multichrome flakes, and a touch of aqua shimmer.

June 2017: June's theme is So Nauti-cal and the polishes are beautiful summer must-haves! Polish #1 is a unique red holo with a hint of pink shimmer, and Polish #2 is a pretty light blue celly filled with sapphire holo microglitters, holo flakes, and a touch of red to blue shimmer.

May 2017: HE POLISH DUO: Polish #1 is a purple jelly filled with color-shift flakes and Polish #2 is a translucent black filled with gunmetal shimmer, holo microglitters, and multichrome flakes

April 2017: THE POLISH DUO: Polish #1 is a bright berry pink with iridescent color-shift flakes in teal, purple, pink, and blue.

Polish #2 is a super sparkly holo bomb!! It's packed with silver holo flakes and microglitters with just a hint of pink to purple shimmer.

March 2017: The polish duo includes a blue to cream thermal sprinkled with blue/pink/violet shimmers and a sparkly glitter bomb packed with flakies and microglitters in pinks, purples, blues, and greens.

February 2017: polish 1 multichrome polish shifts from emerald to teal to purple and is sprinkled with holo flakes.& flakies/glitter bomb throws off sparks of green, gold, and rainbow.

January 2017: olish #1 is a dark magenta to clear thermal filled with holo flakes and multichrome flakes in fuschia/pink/violet/red/gold. & Polish #2 is just absolutely breathtaking in person. It is a black base with a bunch sparkle!! There are flashes of red, violet, holo, and it has a strong pink highlight to it.

December 2016: Polish #1 is a white crelly with an iridescent teal shimmer, a mix of baby blue and teal matte glitters, and a touch of silver holo microglitters. & Polish #2 is a thermal!!! Shown here in its cold state, it's a gorgeous teal that changes to a lighter teal (almost white) when warm. It has holo flakes, iridescent rainbow flakes, and small iridescent color-shift glitters.

November 2016: Polish #1 gold holo polish filled with chameleon microglitters and multichrome flakes in bronze/silver/gold/red/green. It also has an iridescent shimmer that shifts from green to reddish/maroon.

Polish #2 in cold state. It is a black to clear thermal filled with magenta and chameleon microglitters and multichrome flakes in magenta/green/bronze/gold.

October 2016:

Polish #1 from October's Creepy Classics box is a metallic light silver filled with scattered holo and holo flakes.

Polish #2 is a white crelly with an iridescent violet shimmer and sprinkled with black, orange, green, and purple glitters.

September 2016: Polish #1 for September's box is this gorgeous cream colored polish with an iridescent red-orange shimmer and red/orange/copper shifting microflakes.

Polish #2 for September's box is this exquisite multichrome that shifts between shades of violet-fuschia, mauve, crimson, and coppery red. I've added some gold holo dust for that extra sparkle we all adore!

August 2016: Here is Polish #1 from August's Hues In-die Box? This beauty is named Lava Lamp because it truly almost glows on your nails!! It's a blurple jelly base packed with neon purple microflakes and a touch of holo glitters.This is Make Love, Not War and the swatch shows it with shiny topcoat on the index and middle fingers and matte topcoat on the ring and pinky.

July 2016:

:

Purple Mountain's Majesty & Amber Waves of Grain : white crelly with a stunning copper shimmer that's impossible to photograph, and filled with a mix of purples and coppery amber glitters.

From the Red Wood Forest to the Gulf Stream Waters which is a beautiful sapphire jelly filled with microglitters and flakes, including a sprinkle in red, orange, and copper.

A Road Less Traveled which is a beautiful gray crelly with copper/bronze/amber and blue/green multichrome flakes.

heathers_hues LAST CALL! Today is the FINAL DAY TO ORDER.

September's "Hues In-die Box?" starts at just \$17.95 and is packed full of goodies. The theme is "Zombies" because it's almost time for the Walking Dead to return and we can't wait, amirite!?!?

Kristy from @ribbitsstickits is 'hues in-die box' this month and she's just as excited for TWD as I am! She's included a set of zombie water decals, an "I♡Zombies" vinyl, and a 5mL bottle of liquid latex which will come in the scent of "People Melons" (*Please specify if you'd like the latex unscented*) Polish #1 is a black to red thermal polish filled with a red shimmer. Polish #2 is a dark grey crelly sprinkled with red/orange/gold/green iridescent color-shift shimmer and microflakes.

The scent of the month is called "Brain Matter Splatter"...a scent that will make you lose your head!! It smells like gooey, juicy, sweet strawberry jam.

REMEMBER: the box comes in 2 sizes- the mini box includes 7.5mL bottles for the polish duo and the full box includes 15mL bottles for polish duo. All boxes include a 2mL Cutie-cle Oil brush-tip pen in your choice of the scent of the month or unscented as well as the nail art goodies from the featured guest. heathers_hues LAST CHANCE!!!! IT'S THE FINAL DAY TO ORDER JULY'S BOX!

July's "Hues In-die Box?" theme is "Pool Party!" Polish #1 is a bright bubblegum pink with a touch of shimmer, like it's been kissed by the sun! Polish #2 is a bright teal filled iridescent color-shift flakes, teal/blue multichrome flakes, and a touch of aqua shimmer. The scent of the month is "Wait 30" (can ya guess why I chose that name?) It's a blend of summer-ripened fruits and spun sugar with a hint of caramel.

Wondering 'hues in-die box' this month? It's my dear friend Sara from Calm Your Tips and she's included a set of holo decals in a variety of pool toy shapes and vinyls in the shape of margarita glasses (because it's not much of a pool party without margaritas, am I right!?!?) She's also sending a 9mL bottle of "Just the Tip" liquid latex! SHOP HERE ⇨ www.etsy.com/shop/HeathersHues

REMEMBER: the box comes in 2 sizes- the mini box includes 7.5mL bottles for the polish duo and the full box includes 15mL bottles for polish duo. Have you ordered?! Only **TWO DAYS LEFT** to order January's box and you do not want to miss out...just look at these colors!
 Shop at www.heathershues.com
 January's "Hues In-die Box?" is available now!! The theme is "A Passion for Polish" and the fabulous Teanna from Toadarrific Vinyls is 'hues in-die box' this month. She's included some exquisite multichrome tweezers and adorable heart vinyls with little polish bottles inside so you can show off your love for polish.

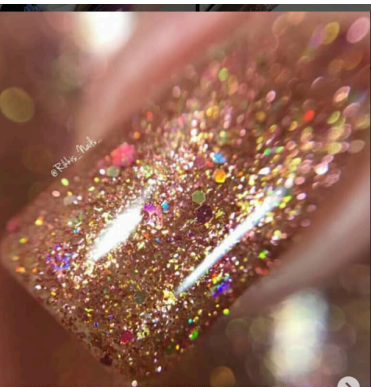

Polish #1 is a beautiful thermal that shifts from purple (when cold) to sparkly silver (when warm) with a shade of blue in between and it has a pink shimmer that just glows in both the warm and cold states.
 Polish #2 is a pink and purple flake-filled glitter bomb. It's absolutely gorgeous and has multichrome and iridescent color-shift flakes as well as pink and purple holo glitters. The scent of the month is called "Passion" and it's an exotic blend of lemongrass, lime, and orange with hints of sweet vanilla.

The boxes will be listed until January 16th and they ship the last week of January.

heathers_hues

heathers_hues Tomorrow is the FINAL DAY to order November's "Hues In-die Box?" The theme is "Novem-burrrrr" and Cathy from V!Nailicious is 'hues in-die box' this month. She has included some adorable vinyls. Polish #1 is a beautiful blue to baby blue thermal filled with iridescent blue/aqua/violet color-shifting shimmer and just a hint of holo sparkle. Polish #2 is a metallic white silver with a touch of iridescent pink/gold/green color-shifting shimmer and blue/aqua/violet multichrome flakes. The scent of the month is called "Mint Meringue" (a blend of peppermint, creme de menthe, marshmallow fluff, vanilla sugar, and creamy meringue).

Order your box now through 11/13 and don't forget to add on basecoat and/or topcoat for a discounted price!
