

What type of policy should the federal government enact to protect data privacy?

1. First, define these terms and phrases before reading the background article or using the videos from C-SPAN Classroom Deliberations. Try searching Google or a dictionary for a definition.
2. Then, as you watch the videos and read the articles, write down quotes from people using these words in context.
3. Finally, use these words in your deliberations and writing activities after you understand all sides of the issue.
