

Rules using Kiki's overlays from the Magic overlay drive

Thank you for supporting me and thinking about getting access to my overlays! It seriously means the world to me! 🥺🥺🥺
You will have to follow a few rules to have and keep having access to this drive.

The violation of ANY of the rules will result in:

- ★ Blocking on Instagram,
- ★ Revoking access to the drive **WITHOUT** any refunds,
- ★ No chance to ever have access to any content from me.

Payment

- ★ The access to the drive is a one-time payment. It's not a subscription.
- ★ I reserve all rights to own the overlays and change the price of the one-time payment **ANYTIME.**
- ★ The Payment should be made through Ko-fi **ONLY!** This way all money comes directly to me and you don't have to pay any fees.

Rules!

1. Please give a follow to my Instagram @kikiepimoon to help me grow and help out community more frequently. Unfollowing will result in revocation of the access to the drive.
2. You **MUST** have an Episode related Instagram account. Otherwise, you won't be able to get access to the drive.
3. Whenever you use my overlays, you **MUST** give credit to my Instagram @kikiepimoon.
4. The credit must be given at the end of the episode or as a reader message in **EVERY** episode in which the overlay is used.
5. I have spent a lot of time making these, so you are **NOT** allowed to take them as your own!
6. You can use these overlays **ONLY** on your Episode stories.
7. Usage on other platforms like Spotlight, Wattpad, Whispers, etc. is **PROHIBITED**!
8. You can use my overlays in Instagram edits **IF** credit is given.
9. You are **NOT** allowed to use my overlays in places where you get income (get paid for your work) like art commissions, video edits, writing codes for others, etc.
10. If my overlays are used in your story and the Episode team buys your story, you **HAVE TO** remove all of my overlays from this story.
11. You are **NOT** allowed to use my overlays in official stories you are writing for the Episode team. These are for usage in community stories **ONLY**!
12. You are **PROHIBITED** to share your email or any sites, or links that lead to the drive with others!
13. If I find out that you are using my overlays without credit, your access will be revoked and you will be blocked.
14. You are **NOT** allowed to edit or change these overlays by yourself. If you need different colors or directions, DM me on Instagram at @kikiepimoon.

15. You are allowed to make suggestions of what I should make, BUT it is NOT guaranteed that I will make them.

I will try to update the drive when I have a certain amount of overlays made but it takes time to make everything.

I hope you will like my overlays and find them helpful!

If you have any questions, DM me!
