

**FEDERAL GOVERNMENT OF SOMALIA
MINISTRY OF EDUCATION,
CULTURE AND HIGHER EDUCATION (MOCHE)**

**INVITATION TO TENDER: CONSTRUCTION OF 4 GIRLS' SCHOOLS IN BANADIR
REGION UNDER THE GPE GIRLS' EDUCATION ACCELERATOR (GEA) GRANT**

The Federal Government of Somalia, through the Ministry of Education, Culture, and Higher Education (MOECHE), has secured funding from the Global Partnership for Education (GPE) under the Girls' Education Accelerator (GEA) grant. The GEA grant is a three-year program aimed at enhancing equitable access to quality and inclusive education in both rural and urban areas, focusing on gender and social inclusion barriers. The GEA program is aligned with the government's reform priorities outlined in the 2023 Partnership Compact and the Education Sector Strategic Plan (2022-2026). The program's key objective is to increase enrolment and retention of vulnerable girls in schools by constructing new educational facilities and addressing supply and demand barriers in education.

In line with Outcome 1 of the GEA program, the project seeks to construct **20 new schools** in underserved areas with a high concentration of out-of-school girls and limited or no existing education services. These schools will contribute to enrolling and retaining an additional **15,600 vulnerable girls** in the education system. To achieve this, the Ministry of Education, Culture and Higher Education is inviting **interested and qualified bidders** to submit their **bid documents** to participate in the tendering process for the construction of 20 Girls schools across All States.

The first phase of the project encompasses the construction of 4 schools in **Banadir Region**.

Eligible and interested suppliers can download the tender documents from the link provided in the table below.

1. Banadir

S/n	State	District	REFERENCE NUMBER	Advert Link
1.	Banadir Region	Dayniile	ITT/MOECHE/BRED/GEA/2025-001 4	Deynile Girls School
