

Shadi's 2025 Commission Prices

♡ Commissions OPEN

- ♡ Everything below is a rough estimate of what I offer. Outrageous characters and what not might be more, and asking for a lot of things added to your commission could add to the overall price.
- ♡ I do not currently offer complex backgrounds, but I will do very simple color blocks or circles.
- ♡ I will do NSFW commissions but nothing hard-core fetish. If it is legal, you can certainly ask!
- ♡ Please check out my FA for examples of my artwork! <https://www.furaffinity.net/user/xshadi/>
