Episcopal

Note: This is a partial list. Most Episcopal churches in San Francisco are inclusive. Check with Oasis California for a more complete listing. Oasis Covenant Congregations complete an intentional process of reflection and education that culminates with action by the vestry voting to become part of Oasis. The vestry and rector make a public affirmation of commitment to LGBT people, participate in programs and actions that advance and fulfill the mission of Oasis/California, and support Oasis/California's LGBTQ+ ministry.

Oasis California

<http://www.oasiscalifornia.org> ~ a network of Oasis Congregations that extend themselves in welcoming LGBT people:

- pastorally sensitive care for LGBT people in dealing with spiritual concerns
- the spiritual empowerment of LGBT people
- sharing the Good News of Christ
- witness and education
- advocacy for the full inclusion of LGBT people throughout the Church
