Program	Artificial Intelligence (AI) for Kidz
Description	Hey there, young tech adventurers! Are you ready to dive into the exciting world of Artificial Intelligence? We're going to unlock secrets behind the smart robots, apps, and games you see every day. You'll learn how machines "think" and how to teach them to do awesome things like recognize pictures, play games, and even have conversations! You'll get to create your own AI projects, solve cool challenges, and become a future tech wizard!
Day(s) of the week	Mondays (15 sessions) Fall 2025: August 18, September 8, 15, 22, 29, October 13, 20, 27, November 3, 10, 17, 24, December 1, 8, 15
