

Free The First Activities

Free Speech Scale

- List out trivia questions about free speech and a list of free speech advocates or attackers.
- Have your peers answer the trivia questions and see where they land on the free speech scale. Are they a Charlie Kirk or Karl Marx?

Man On The Hallway

- Create some content for your chapter by taking your phone and filming your own man on the street video.
- Ask your peers questions about if they support free speech and what they think about censorship.

Free Speech Ball

- Have your Rep bring you a giant inflatable beach ball to have on campus!
- Encourage all your classmates to come up and write their differing views and opinions about anything on it!

Free Speech Mad Libs

- On a poster board write out a quote or paragraph about free speech, leaving some words blank!
- Invite your peers to come up and fill out those blanks for a free speech themed game of Mad Libs!
