

# BYOD @OrmPS

**Ormiston**  
PRIMARY SCHOOL

Using devices enables us to honour our vision principles: Connected, Capable, Collaborative and Curious. We want to be visible about the progress of all learners. Bring Your Own Device (BYOD) allows more learners to have access to devices and enables them to transform their learning.

## iPad Apps

Must Have on iPad	Free Optional for Education	Paid Optional
Chrome Google Google drive, GMail, Google docs, sheets, slides, Blogger (Years 3-7) / Easy Blogger Junior (Years 1-2) Sunshine Online Mathletics Pic Collage Popplet NZSL Sign Ninja NZ Herald Kiwi Kids News	Educreations QR Reader Youtube, Youtube Capture, Recorder Pro Tellagami, Show Me, Sock Puppets, Puppet Pals, Voicethread, Fotobabble, Audioboo, DipTic Google Translate, Chicktionary, Spelling City, Virtual Manipulatives, GeoBoard, My Times Tables, Number Pieces, Math Slide Write About It NZ Milly Molly Maori Library NZ Flora and Fauna Math Bugs Fractions Aurasma	Multi-touch Maths Puppet Pals HD Show Me Comic Life Minecraft Tellagami pro Write About It NZ iMovie Littlebirdtales Scratch Jr Edware (for Edison Robots) Wonder Workshop Apps (Dash & Dot) Stop Motion Animator Endless Reader TouchCast Green screen Pizap Wordfoto Osmo Apps Lightbot Hour Skoolbo Go!
