

Happy Birthday Sai Baba

*Let's remember Sai Baba and
all the good things he has done
for us.*

Quotes

*He who has greatest satisfaction
in life is the richest man-baba*

"The greatest spiritual practice is to
transform love into service"

— Sai Baba

"Love is selflessness, Self is lovelessness."

— Sathya Sai Baba

"There is only one language, the language of
the Heart. There is only one religion, the
religion of Love."

— Sri Sathya Sai Baba

Sathya Sai Baba Contributions

Sathya Sai Baba made a money free hospital for the injured that don't have money to pay for the hospital bills. He taught us to care for others instead of you. He helped a lot people in their spiritual journey. He gave us quotes that made us think on how to be a more blissful and happy person.
