Privacy Policy for "Select Subtitles" Extension

Effective Date: November 30, 2024

Introduction

"Select Subtitles" is a browser extension designed to enable users to select and copy subtitle text across different streaming platforms, such as YouTube. We are committed to protecting your privacy and ensuring transparency about how our extension operates.

Data Collection and Usage

Our extension **does not collect, store, or transmit any personal data or information** from users. All functionalities provided by the extension operate entirely within your browser, and no data is sent to any external servers or third parties.

Third-Party Services

"Select Subtitles" does not use or integrate with any third-party services or analytics tools. Since we do not collect any data, we do not share any information with external parties.

Cookies and Tracking

The extension does not use cookies or any tracking technologies. It does not monitor or track your browsing activities.

Permissions

The extension requests access to `*://www.youtube.com/watch*` to provide its core functionality of interacting with YouTube pages. This permission allows the extension to inject content scripts that enable text selection and copying of subtitles. The extension does not access your personal data or collect information about your browsing activities.

Children's Privacy

My extension is not intended for use by children under the age of 13. We do not knowingly collect personal information from children.

Changes to This Privacy Policy

I may update our Privacy Policy from time to time. Any changes will be reflected on this page with an updated effective date. We encourage you to review this Privacy Policy periodically.
