Cost Factors

The cost of cannabis products can vary depending on several factors. Product type is one of the primary considerations, as flower, cannabis edibles, vapes, concentrates, and CBD products

THE WOODS

may have different price points. Potency levels can also influence cost, with products containing higher THC or CBD concentrations sometimes priced differently than lower-potency alternatives.

Brand reputation is another factor that affects pricing. Premium products from established producers may carry higher prices due to production methods, consistency, and quality standards. Quantity purchased can also impact the overall transaction amount, with larger purchases generally increasing total cost while potentially offering better value per unit.

Customers can inquire about promotions, featured products, and available savings opportunities during their store visit. The Woods Cannabis strives to provide competitive pricing while maintaining quality and compliance standards.

Is Cannabis Legal in Mississauga?

Yes. Recreational cannabis is legal in Ontario for adults aged 19 and older. Licensed cannabis retailers such as The Woods Cannabis operate under provincial regulations governing product sales, age verification, labeling, and retail operations.

Customers must provide valid identification before making purchases and comply with all applicable Ontario cannabis laws.
