

Daily Highlights

Week of December 15

Monday

- Today we began with doing our self-assessments to accompany our reports going home on Thursday. We practiced our Jingle Bell Rock song with new bells and had an early snack. Between recess and lunch we viewed the whole school dress rehearsal of the Christmas concert and performed our song on stage. After lunch we read a story, had Number Corner and a bit longer of a center playtime.

Tuesday

- Today was highly exciting with two concert performances. We also did Christmas Bins, Centers, and watched Franklin's Christmas Gift as well as Pete the Cat's 12 Days of Christmas.

Wednesday

- Today we colored and sequenced a mini *Gingerbread Man* book and practiced retelling the story. We had modified gym and did yoga (as the stage and some Christmas décor was still up). We were able to go for a quick book exchange at the library and got to play with the Keva block sets. We also had our Big Buddies come to play Rock, Paper, Scissors and High Five with us. It was Beauden's birthday and his Mom brought delicious Oreo cupcakes for us to enjoy!

Thursday

- This morning we worked through some review activities in our Christmas Booklets. Since we missed gym on Monday, Ms Hanlon kept the class outside for extra recess playtime. We then had snack, some choice activities and Christmas Bins. In the afternoon we learned steps and words to a holiday Christmas dance, had Number Corner, and a longer than usual Center playtime.

Friday

-
