Date:24/03/2026

To,
The Concerned Authority,
Subject: OFFICIAL TRANSCRIPTS OF SONAR RAHUL RAJESH

Name of the Student is applying for postgraduate studies at your esteemed institute. He has successfully completed the Bachelor's Degree in **ELECTRONICS & TELECOMMUNICATION** in **APR/MAY 2025** and has been Bonafide student of this institute since **2021-22**. As part of the requirements for admission to postgraduate studies at your institution, we are releasing a copy of his **OFFICIAL ACADEMIC TRANSCRIPTS** to facilitate, a review of his application, here is a brief summary of the salient features of University and our Institution.

The **Savitribai Phule Pune University (formerly University of Pune), Pune, India**, was established on February 10,1949 and is amongst the **top five** universities in India. It has an excellent reputation for being a leading center for research and higher education. The University houses **IUCAA** (Inter University Center for Astronomy and Astrophysics), which is currently engaged in **GMWRT** (Giant Meter-Wave Radio Telescope) project, the largest of its kind in the world. The Centre for Development of Advanced computing (C-DAC), which has indigenously developed **PARAM**, the Super Computer, is another real asset to the University.

All India Shri Shivaji Memorial Society (AISSMS) was founded by Late Chhatrapati Shri Shahu Maharaj and H. H. Shri Madhavraoji Scindia in 1917. The society is dedicated to the noble cause of military, general, technical and management education in India. Twenty Institutions are under the ambit of the society. The society management is very pragmatic and progressive.

The AISSMS's Institute of Information Technology (IOIT), established in 1999, is a self-financing **Autonomous** Institution affiliated to the Savitribai Phule Pune University. The institute has good infrastructure facilities for UG/PG courses in all the departments. The institute also has a research center in E&TC engineering.

The institute is re-accredited with "A+" grade in cycle II by National Assessment and Accreditation Council (NAAC) and 3 departments have been accredited by National Board of Accreditation (NBA). The institute has received **2(f) and 12(B) recognition** from UGC and **Permanent Affiliation from Savitribai Phule Pune University** for Computer Engineering, Electrical Engineering and Instrumentation Engineering. The institute has **received various awards and rankings as listed below:**

- **Best Principal Award 2020-21** by Savitribai Phule Pune University (SPPU)
- **AICTE Clean Campus Award 2019-20**
- The institute is recognized by **AICTE** for "**Best practices in Education**" in 2018
- **Best Principal Award 2017-18** by Computer Society of India
- **Best College Award 2017-18** in Pune by **Fire and Security Association of India**

- Bharati Vidya bhavan **National Award 2017 for Best Engineering College Principal** by ISTE, New Delhi
- **Best Private Engineering College Award 2015** by ISTE, New Delhi
- **Engineering Education Excellence Award 2015** from Indo-Global chamber of Commerce Industries & Agriculture
- **Gold Category (2016, 2017, 2018 and 2020)** as per AICTE-CII Survey of Industry Linked Technical Institutes
- **Ranked between 70 to 200 in various surveys conducted INDIA TODAY-MDRA, Times Engineering, WEEK MAGAZINE, Outlook, and Business World.**

Our mission is to carve multidimensional developed students with skills and knowledge to create awareness of the latest developments and technology among them. This will make the students confident to face the challenges in today's competitive world. The Institute is imparting quality education with a goal to strive for academic excellence and overall personality development of our students.

Admissions to the undergraduate courses are granted on the basis of marks obtained CET/JEE examinations along with the marks in the subjects: Physics, Chemistry and Mathematics in the Higher Secondary Certificate Examination. The competition is extremely keen.

The duration of Bachelor's degree Course is four years, divided into eight semesters with each semester having different theory courses along with the related practical and workshop sessions. Each academic year consists of two semesters with an examination conducted by the Savitribai Phule Pune University (formerly University of Pune) at the end of every six - month semester.

The Savitribai Phule Pune University (formerly University of Pune), Pune employs a quantitative Grading system to evaluate the performance of the students. The overall result obtained by the student in each academic year is graded as follows:

Final Grade Point Average	Marks	Grade	Grade Points
09.00 - 10.00	80-100	O	10
08.55 - 08.99	70-79	A+	9
07.50 - 08.49	60-69	A	8
06.50 - 07.49	55-59	B+	7
05.50 - 06.49	50-54	B	6
04.25 - 05.49	45-49	C	5
04.00 - 04.24	40-44	P	4
00.00 - 03.99	0-39	F	0
	-	Ab/Absent	0

Principal

Sr no.	CGPA	Class of the degree Awarded
1	7.75 or More than 7.75	First Class with Distinction
2	6.75 or more but less than 7.75	First Class
3	6.25 or more but less than 6.75	Higher Second Class
4	5.5 or more but less than 6.25	Second Class

The minimum marks required for passing are:

Theory papers	40%
Orals	40%
Practical Examination and Term Work	40%

Unlike most other universities in India, Bachelor of Engineering course prescribed by the Savitribai Phule Pune University (formerly University of Pune), Pune India is extremely intensive and demanding.

NOTE :

1. All subjects are compulsory, except in the final year, where the students choose a project and an elective in the seventh and eighth semester.
2. Each semester is of sixteen weeks duration, there are eight such semesters in the whole program of four years.
3. Each lecture is of one-hour duration and practical session of two hours duration.
4. The medium of instructions and examinations is ENGLISH.
5. A student can be awarded a maximum of 15 marks or 10 marks to the total of a year as a grace, either to clear a subject head or to obtain a higher lass, as per ordinance No. 0.136, [0.138 (A) & (B)] and 0.14 a of the Savitribai Phule Pune University (formerly University of Pune), Pune, India
6. The examination is conducted by the Savitribai Phule Pune University (formerly University of Pune), Pune: at the end of every six-month semester i.e. in the month of Nov. / Dec. and May /June.

Savitribai Phule Pune University (formerly University of Pune) at a Glance

The Savitribai Phule Pune University (formerly University of Pune) is located in Pune, the educational capital of India, has a reputation as a leading centre for research and is rated amongst the top Universities of India. Savitribai Phule Pune University (formerly University of Pune) conducts undergraduate, graduate and post-graduate research programs. courses in the Arts, Commerce, Science, Education and other facilities and also professional courses in Engineering and Technology, Medical Science, Business Administration, etc,

The campus of the University is spread over an area of 411 acres and is set in sylvan surrounding with its 41 post-graduate departments. There are more than 200 affiliated colleges and more than 100 recognized research institutes affiliated to the Savitribai Phule Pune University (formerly University of Pune). Around 20,000 students are pursuing their studies in various colleges and department affiliated to the Savitribai Phule Pune University (formerly University of Pune) for undergraduate as well as post-graduate courses, including M.Phil and Ph.D programs. The university as 159 subjects included under 13 faculties. There are a large number of certificate, diploma and degree courses at graduate and post-graduate levels in various disciplines.

The University attracts International students in large numbers. At any given time, we have more than 2,000 foreign students studying in different colleges and the University departments.

Our University also houses **IUCAA** (Inter University Centre for Astronomy and Astrophysics), and **NCRA** (National Centre for Radio Astronomy), which is engaged in **GMWRT** (Giant Meter-Wave Radio Telescope) project, the largest of its kind in the world. The Centre for Development of Advanced Computing (**C-DAC**), which has indigenously developed **PARAM**, a Super Computer, is an asset to the University.
