## How to Take AR Tests

### **When can students take AR tests?**

Students can take AR tests in the library classroom and in teacher classrooms with laptop computers - please check with your child's teacher for this information.

Most days, the library is open half an hour before school starts. Students who want to take AR tests during lunch must ask an administrator for permission before leaving cafeteria.

### **Can tests be taken at home?**

No, students cannot take tests at home. Renaissance Learning's licensing certification states that AR tests can only be taken on school computers.

### **What is the best way for my child to find an AR quiz?**

Visit AR BookFinder at <http://www.arbookfind.com/> to conduct a search of all available books with AR quizzes using author name or book title.

### **Take an AR Sample Quiz.**
