# Installing Software

Some software is available to download through Kace. The following will guide you on how to get to the available software.

1. Double click on the IT Portal icon on your desktop.

2. On the left sidebar, locate and click on Downloads.

3. Click on the software you're needing and follow the on-screen prompts.

If your software is not listed in KACE, please enter a work order to get the software installed.
