M&E Session Analysis	4.0000 with the verbal interpretation of Outstanding
M&E Overall Analysis	3.8750 with the verbal interpretation of Outstanding
General Comments and Issues Encountered	No improvements needed. Session was successfully conducted.
Recommendation	LAC session is well explained, there's no need for improvement.
Highlight of the Activity	The most significant learning the teachers gained in the session was how to construct right questionnaires. Structure to be observed or consider in creating SOLO framework.
Learning Insights	Following proper test construction procedure in a SOLO format. It would help them measure the cognitive learning outcome of the students through assessment. And the learning they have gained will help them create effective questions to assess their students
