ACCESS Virtual Learning (Alabama Connecting Classrooms, Educators, and Students Statewide) is an education initiative of the Alabama Department of Education. It provides opportunities and options for Alabama public high school students to engage in Advanced Placement (AP), core, elective, and other courses to which they may not otherwise have access or be able to schedule.

- Courses are interactive, engaging and rigorous.
- All courses are aligned with the Alabama Course of Study.
- Materials/Resources are embedded in course content for the majority of courses.
- No limits are placed on the number of courses a student may take.
- All courses are taught by an Alabama Certified teacher.

ACCESS offers over 130 courses including the following:

- 5 different World Languages
- 11 different AP Courses
- Core courses in every subject area
- Wide variety of electives
- Credit Recovery courses (not NCAA approved)

Goal/Mission/Vision

- The goal of ACCESS Virtual Learning is to create equity by offering digital distance educational opportunities to all Alabama public high school students.
- The mission of ACCESS Virtual Learning is to provide an infrastructure that delivers equitable, quality learning opportunities for all citizens.
- The State of Alabama provides equal access to high-quality instruction to import student achievement through distance learning.
