Course Requirements and Materials

Important note: Please check with your instructor for finalized course requirements and materials list for your class at the time of confirmation. If your class is canceled, you will receive notice within 48 hours of the start of the class.

Course Requirements (On-Site Instruction)

- As the COVID-19 vaccine is now available to individuals over the age of 5, Otis College is highly recommending that all students age 5-17 who are interested in taking programs through our Extension Department get vaccinated for COVID-19 prior to starting any in-person programs. Students who have received the COVID-19 vaccine will be asked to upload a photo or scan of their vaccine card.
- Please refer to our policies page for COVID Safety guidelines and additional campus-specific information on our [Policies page](#).

Materials

- Clay Kits will be provided with enrollment of this 10-week course, funded by Otis College Friends of Clay.
