Reflecting on Probation Practices
Group 7-Stu

1. Introductions (if needed)

2. Revisit survey data results (if needed)

3. Finish documenting key takeaways, practices to stop/start/refine, and next steps for each

4. Bold 1-2 highest priorities in each table

5. **Document ways that this work will improve equity for vulnerable populations**

6. Combine with another group to share ideas

7. Identify key takeaways to share out

Key Takeaways

-
-
-
-

STOP		
Practices (What practices should STOP?)	**Next steps** (What needs to be done before we can make this happen? Who should be involved?)	**How will this work improve equity for vulnerable populations?**
•	•	
•	•
