To the Tewksbury Community:

March 13, 2024

Tewksbury Memorial High School (TMHS) needs your cooperation in ensuring a safe, secure and fun environment for our students and guests while attending the TMHS Boys' Hockey team MIAA State Finals game on Sunday, March 17, 2024 at 7:30 PM at the TD Garden in Boston. Please [click here](#) for ticket information.

Since our game is scheduled in Boston on St. Patrick's Day, we highly recommend that attendees carpool or take public transportation to and from the game. In years past, the last scheduled game has typically not started on time. While we are hopeful that it will start on time, please be prepared for a potential delay and plan accordingly.

We would like to review some of the expectations and guidelines that are in place to make sure all fans can enjoy their gameday experience. As with any TMHS school-sponsored event, whether in Tewksbury or on the road, the school code of conduct as outlined in Student Handbooks applies to all students.

There are a number of reminders that we would like to share regarding the TMHS expectations:

- Students who are not in high school (grades 9-12) are required to be accompanied by an adult who is required to supervise them before, during and after the game
- Everyone who attends is subject to the [policies of the TD Garden](#)
 - o Small bags, clutches, crossbodies and wristlets are permitted.
 - o Bags cannot exceed 4in x 6in x 1.5in.
 - o No backpacks will be allowed in the TD Garden

The vast majority of our students consistently make great decisions. To support this, we are asking parents to talk with their children prior to this event about continuing to make good decisions and making plans to stay safe.

We want to congratulate the TMHS Boys' Hockey Team on reaching the state championship game and wish them the best of luck versus Boston Latin High School. Go Redmen!

Andrew Long
Principal, TMHS

¹2023-2024 District Strategy:

The Tewksbury Public Schools Community believes that our educational program will reflect our collective Vision of a Learner. Our consistent observable growth among our students and staff will be evident in the achievement of academic, social, and emotional success in school and far beyond.
