

Privacy Policy for AI Chat

Effective Date: June 23, 2026

AI Chat respects your privacy. This Privacy Policy explains how we handle information when you use our mobile application, AI Chat.

1. Information We Collect

We do not collect, store, sell, rent, share, or process any personal data from users.

AI Chat does not require users to create an account, provide personal information, or submit identifiable information to us.

2. Chat Content

AI Chat does not store your conversations, messages, prompts, or chat history on our own servers.

Any text you enter into the app is used only to provide the chat functionality during your current use of the app.

3. Analytics, Advertising, and Tracking

We do not use analytics tools, advertising trackers, cookies, or similar technologies to collect information about users or their activity.

4. Data Sharing

Because we do not collect personal data, we do not sell, rent, trade, disclose, or share personal information with third parties.

5. Children's Privacy

AI Chat does not knowingly collect personal information from children. Since we do not collect personal data from users, we do not maintain personal information about users of any age.

6. Data Security

Although we do not collect or store personal data, we take reasonable measures to maintain the security and reliability of the app.

7. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted within the app, on the app listing page, or through other appropriate channels. The updated Privacy Policy will become effective when posted.
