

# Reflection Slideshow:

## Take your Passion Project to the next level!

Explore	Your Task
Content for your “Reflection Slideshow”	Explore your “Reflection Slideshow.”  List the content you you have and what you still need to add:
Explain	Your Task
What could you do to make the “Reflection Slideshow” better?	Explore your “Reflection Slideshow.”  List the features you can include to improve your slideshow’s viewing experience:
Apply	Your Task

Apply some new features:  
to your  
“Reflection Slideshow”

➤ **Review!** View [“Google Slides on the iPad” video](#) from Tech Week at beginning of the school year showing slides features.

- Images
- Shapes

Take pictures & videos as you work, add new slides and document work in your “Slideshow Reflection” very easily!

➤ **More Multimedia & Visuals!**

Include:

- [Video](#) (Laptop required)
- [Diagrams](#) (Laptop required)

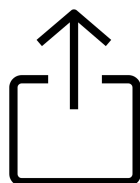

➤ **Making Connections!** Include:

- Hyperlinks
  - [Words](#)
  - [Images](#)
  - [Slides](#)

Hyperlinking slides will allow you to create a “Table of Contents!” or “Index”

You decide how to keep things organized!
