Artikel ditulis dalam bahasa Indonesia atau bahasa Inggris dengan menggunakan gaya tulisan Garamond, ukuran 12 dengan spasi 1.15. Panjang tulisan terdiri dari 4000-6000 kata dengan jumlah referensi minimal 30 sumber dan menggunakan sistem pengutipan *innote* (Sumber referensi harus terdiri dari minimal 80% artikel jurnal).

## PENDAHULUAN

Pendahuluan harus jelas dan menuliskan isu yang akan didiskusikan pada artikel. Sebelum menjelaskan tujuan penelitian, penulis harus menjelaskan latar belakang masalah dengan beberapa sumber berdasarkan sumber awal untuk mendeskripsikan kondisi pada objek penelitian, **nilai kebaruan tulisan**, hubungan dengan penelitian sebelumnya, batasan penelitian, **kontribusi penelitian**, **teori yang mendukung**, dan **tujuan penelitian** dalam mengatasi batasan penelitian.

## INTRODUCTION

The introduction should be clear and provide for the issue to be discussed in the manuscript. Before the objective, authors should provide an adequate background, and very short literature survey in order to record the existing conditions, to show which is the best of previous researches, to show the main limitation of the previous researches, to show what you want to achieve (to solve the limitation), and to show the scientific merit or novelties of the paper. At the end of the paragraph, the author/s should end with a comment on the significance concerning identification of the issue and objective of the research.

## METODE

Metode Penelitian bersifat opsional untuk artikel penelitian orisinal. Metode penelitian dituliskan secara deskriptif Anda harus menuliskan secara jelas tentang jenis penelitian yang digunakan, menggunakan desain penelitian yang baku, memiliki tahapan yang sistematis, dan pengolahan data yang jelas dan terstruktur.

## METHOD

The method is optional for original research articles. This method is written in descriptive and should provide a statement regarding the methodology of the research. This method is as much as possible give an idea to the reader.

## HASIL DAN PEMBAHASAN

Hasil pembahasan sesuai dengan tujuan penelitian, memiliki kebaruan, berkontribusi pada keilmuan, dan menggunakan analisis yang baik. Analisis hasil penelitian harus jelas, rinci, dan menjelaskan berdasarkan penemuan saintifik. Jelaskan pula perbedaan hasil penelitian anda dengan penelitian sebelumnya yang telah terpublikasi oleh peneliti-peneliti lainnya.

Untuk bagian sitasi, ketika terdiri dari empat baris, maka harus dituliskan dengan ukuran tulisan 10pt dengan spasi 1,5 atau dengan berdasarkan contoh berikut:

“The right to life, the right to not to be tortured, the right to freedom of the individual, to freedom of thought and conscience, the right not to be enslaved, the right to be acknowledged as an individual before the law, and the right not to be prosecuted retroactively under the law are human rights that cannot be diminished under any circumstances whatsoever.”

## RESULTS AND DISCUSSION

This section is the most important section of your article. The analysis or results of the research should clear and concise. The results should summarize (scientific) findings rather than providing data in great detail. Please highlight differences between your results or findings and the previous publications by other researchers.

For direct citation when it is more than four lines you need to write it in 10 pt with single space:

“The right to life, the right to not to be tortured, the right to freedom of the individual, to freedom of thought and conscience, the right not to be enslaved, the right to be acknowledged as an individual before the law, and the right not to be prosecuted retroactively under the law are human rights that cannot be diminished under any circumstances whatsoever.”

## SIMPULAN

Simpulan berisi tentang deskripsi yang menjelaskan jawaban dari masalah dan objek penelitian yang dijelaskan dengan rinci dan singkat (satu paragraf). Isi dari kesimpulan berbeda dengan abstrak. Isi simpulan mencantumkan **batasan penelitian dan rekomendasi penelitian**.

## CONCLUSION

Conclusion contains a description that should answer the problem(s) raised and answer the objectives of research. Provide a clear and concise conclusion. Do not repeat the Abstract or simply describe the results of the research. Give a clear explanation regarding the possible application and/or suggestions related to the research findings.

## DAFTAR PUSTAKA

Daftar pustaka pada akhir tulisan menggunakan sitasi gaya tulisan APA (American Psychological Association). Semua sumber rujukan pada artikel harus dituliskan pada daftar pustaka. Silakan menggunakan aplikasi Mendeley. Seluruh hasil publikasi yang disitasi pada artikel harus dituliskan dalam daftar referensi dan diurut berdasarkan alfabet nama penulis. Referensi harus terdiri dari 80 % artikel jurnal yang berasal dari hasil penelitian terkini/ beberapa tahun terakhir. Minimal menggunakan referensi 5-10 tahun terakhir minimal 30 referensi.

## REFERENCES

References at the end of the manuscript should be written in APA (*American Psychological Association*) Citation Style. All works that cited in the text should be stated on the References and vice versa. Please use Reference Manager Applications like EndNote, Mendeley, Zotero, etc. Use other published articles in the same journal as models. All publications cited in the text should be included as a list of Bibliography, arranged alphabetically by author. The writing of references is not separated such as books, journal articles, conference papers. References is sorted by alphabet.

References should consist of 80 percent of journal articles and preferably from the most recent year.
