

Asian Youth - interim WG representative meeting notes March 28

Time: 9PM, GMT+7

Chair: Liangyi

Attendance: Rozita, Sameera, Bella, (Jamie, Timila, no showing up at the end)

Agenda:

1. Setting the goal we want to reach in 2013

- Liangyi: having world cafe during the cop19
- Bella: we can hv our first local action connection on June 5 (World Environment Day) :)
- Sameera Zaib: involve youth from each of the asia country and organize some events before COP19 to get inputs from maximum youth in the context of COP19
- Rozita: Start a website, wordpress and blog! need someone to work on website. but before that we should start with blog, to : a) start sharing our work, experiences b) using it as a discussion forum and awareness tool (connecting diverse asian regions)
- c) Potential areas to collaborate for common action days (Earth Day, Environment Day etc.)
- Capacity building team chairs- Bella and Tony to make a strategy for their Working group and seek inputs from other members of their group

AT: Liangyi will send out another memeber devided mailing sheets!

AT: Liangyi Sending new members deviding asian youths to 3 working groups

2. Timeline (ex. Start preparing world cafe & setting COP19 strategy on August, etc.)

- Liangyi 422 Online Storm for information sharing
- Bella 0605 Local Asian Action on World environment day, please have blogging post passing to media team. For (<http://www.unep.org/wed/about/>)
- Bellw Action team to work on some SAME format/ logo/ Way of actions

AT: Liangyi - connact your local organization

3. Any project idea for WGs to work on?

Media(Rozita, Timila): Blogging and website

Action(Jamie, Sameera): to be added

Capacity Building(Bella, Tony): training section on Skype/ Online training!(Policy initiative, climate change..etc)

4. What should be done in April 6 skype call (ex: group name changing, etc) and who to join? (since the skype capacity cant handle too many people in, should we limit it down into WG members join only or just split it as before?)

-Taking the movement ahead.

-We must decide a final name for our group

-Working groups should start organising 2-3 calls each month (or as may deemed to be fit by the chairs)

-Start local actions and initiatives before COP19, by involving as many youth members from each asian country (Responsibility: Country representatives)

5. Make sure each interim leader has the contact info and names of his or her WG members (Share the name list: Woonjung)

WG members:
