

This semester we will primarily be using Revtrak to make donations. Firstgiving will also be used- you should still share your page with friends and family and encourage them to donate like previous years. However, if you are an exec, morale captain, runner, or dancer, and need to turn in cash you have at home, you should use Revtrak because the processing fee is lower, so a bigger portion of your donation (around 96%) goes straight to Dance Marathon! Here are the instructions on how to use Revtrak:

- 1) click this link: <https://d219.revtrak.net/D219-Dance-Marathon/#/list>
- 2) Click the tab that says "D219 Dance Marathon (Donation)"

- 3) Read the instructions on the right hand side:
 1. Enter a donation amount.
 2. If donating on behalf of another, provide the donor's contact information.
 3. Click **Add to Cart**.
 4. Make sure that the name you enter is the name of the RECIPIENT (so if you are donating to yourself, enter your own name).
