A NOTE FROM THE PRINCIPAL'S DESK

Wow!!! We had an AMAZING 2nd Annual Taste of Soul event last night! Thank you to the Local Children's Board, our PTA, our Family Involvement Team Executive planning committee, Ms. Judy Jones, our guest speaker, our staff, other guest performers, Poe, and our community for coming together to celebrate Black History Month. I am so appreciative of our students' talents and willingness to share that with us.

A couple of procedural reminders to help your child have a successful school day: First, students need to be in school by 8:30 a.m. Students and parents will be contacted next week if their child has more than 5 unexcused tardies to school to determine the next steps. Also, we will be meeting with the students in the next two weeks to review the changes in the cell phone policy. Please see the attached page for the changes and how they will affect the students. The summary is that phones need to be silenced and away all day (from 8:30 a.m. - 3:15 p.m.). The first time a phone is taken, the student can pick it up in the office at the end of the day. Any time after that a cell phone is taken a parent/guardian will have to pick it up during office hours. We do have a phone in the Front Office dedicated for student use, if they need to call you during the day. Likewise, please do not text or call your child during the school day. Please call the Front Office at 410-313-6929 if you need to get a message to your child during the school day. Thank you for supporting HCMS as we implement the new policy on March 3, 2025.

A friendly reminder that we do not have school on Monday, February 17. We can wait to see the students again on Tuesday!

HCPSS POLICY 9400 - STUDENT BEHAVIOR INTERVENTION

The Howard County Public School System (HCPSS) is committed to providing a safe, engaging, and supportive school environment that fosters the social and emotional safety, dignity, and well-being of all students. HCPSS acknowledges the need for employees

1. to use an array of research-based positive behavior interventions, strategies, and supports to address student behaviors and keep students safe.
2. to minimize the practice of exclusion from the classroom environment
3. to minimize the practice of physical restraint (which may only be used when necessary to protect a student or other person from imminent, serious, physical harm and only after other less intrusive, nonphysical interventions have failed or been determined inappropriate).

It is an expectation that HCPSS employees will be responsive to all incidents of exclusion or physical restraint and appropriately case manage impacted students to minimize unsafe behaviors and maximize instructional engagement.

Additional information can be found at HCPSS Policy 9400 - Student Behavior Intervention. If you have any questions regarding this policy or its implementation, please contact a school administrator.

HCPSS POLICY 9460

The Howard County Public School System (HCPSS) is committed to providing a safe and nurturing environment for all students. Preventing bullying is an important part of this goal. HCPSS Policy 9460 states that bullying, cyberbullying, harassment, and intimidation are prohibited in HCPSS. Our administration and staff have been trained and made aware of this policy as well as preventative and responsive measures.

We know how important your role is in not only supporting your children, but also reporting possible incidents as you become aware of them. The BCHI Reporting Form should be used to report all alleged incidents of bullying, cyberbullying, harassment, and intimidation that occur at school or have a connection back to the school setting that create a risk of harm to other students while they are at school or interfere with the educational environment. An online version is available and can easily and confidentially be used by students, staff, and family members. Hard copies of this form are available in the main office, staff workroom, school counseling office, media center, and health services office. If you believe your child has been bullied, please complete and submit this form as soon as possible and/or assist your child in doing so.

Once the form is submitted, school administrators will ensure the parent/guardian of both the alleged target and alleged offender are aware of the report and will begin an investigation within two school days of receiving the report. Parents/guardians can expect a school administrator to reach out to them during the investigation. Once the investigation is completed, parents/guardians will be provided written notice of the outcome of the investigation within fifteen days of receiving the complaint, excluding extenuating circumstances.

CAR LOOP REMINDERS

Please remember that anyone dropping off students in the morning should use our designated drop-off location which is located at the back of our bus line in the large parking lot. We are asking parents to refrain from dropping off students in the small parking lot as it causes congestion. Our concern is the safety of our students, parents and staff. Thank you for using our designated student drop-off location.
