

How to Create Your InnerView™ Account

STEP 1: Prepare to create your account with a smart phone or a computer.

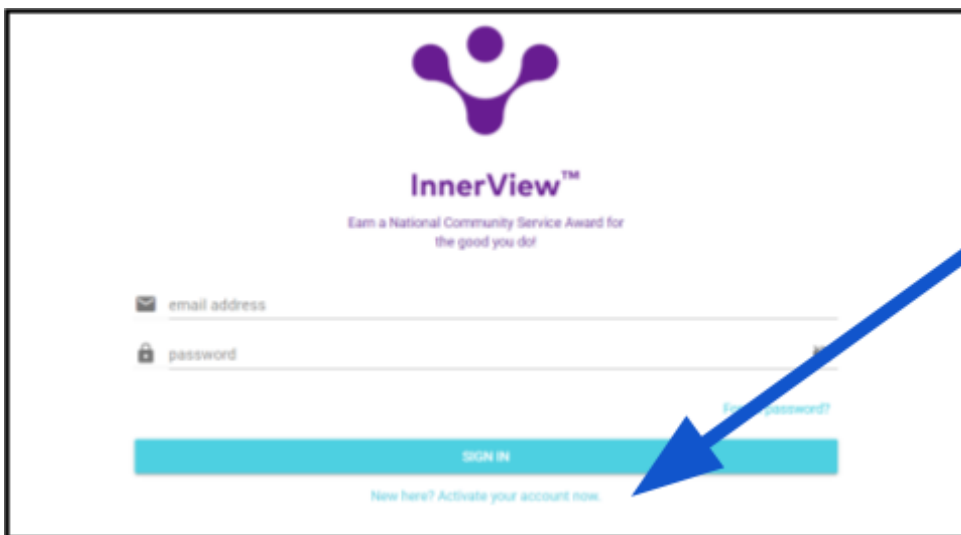

Either will work! The website is created specifically for smart phones, so you may personally prefer to use your phone.

STEP 2: Find a school-appropriate profile picture that you want to use for this profile and save that to your computer or phone.

You must include a profile picture, so we encourage you to have one ready. We would prefer that you use one that includes your actual face.

STEP 3: Go to the website my.innerview.org.

You may also want to bookmark this address.

STEP 4: Underneath the blue sign-up button, select "New here? Activate your account now."

STEP 5: Enter your personal information.

Enter your email address (use your GBSTU email, please!) and fill in the cell phone field, and create a password that you will remember.

Complete all of the other questions the sign-up asks you to complete, as well.

STEP 6: Join our school and organization.

When you get to the page that asks you for your school, begin typing "Grand Blanc High School" and it should automatically give you the option to select our school.

Select your graduation year.

The next page will ask you if you would like to join any groups. Under the SCHOOL tab, select "National Honor Society."

STEP 7: Wait for approval.

That should be your last step for now! As we see you sign up, we will approve your membership in the NHS group, so just be patient as you wait for that to happen. 😊
