

Joseph Smith when humbly praying

**Saw the Father and
the Son**

**As They are in all
Their glory**

**Brighter than the
noonday sun**

Give Them glory
give Them honor

**For the truths
restored through
prayer**

**God above shall
beam His light**

**Into your heart
these truths to
share**

Joseph then was called by God

**To bring to light His
holy word**

**In the Book of
Mormon we will
find**

**God's precious
truth restored**

Read it daily, seek and ponder

**And lift up your
soul in prayer
God above shall
beam His light**

**Into your heart its
truth to share**
