

*Rainmaker *GLORY* Challenge*

You didn't complete the challenge, you failed to become what you said you would be, now, you must ask yourself why.

The Rainmaker title in the copywriting campus is one of the most prestigious, exclusive titles you can acquire, the status that comes with it, the confidence you gain when you hold that title, it's glorious.

You can be part of this elite group, but you must TRY your BEST, day in and day out.

Will you be left in the dust of your brothers and sisters as we scale the mountain together, while you wallow in your feelings and fear? Or will you join the ranks of the most respected students in the campus?

The choice is yours.

Fill this out daily, tag Cole and myself in the #Agoge-Competitions chat.

Desired Outcome for the Day:

- Setup a sales call or in-person meeting

Planned Tasks to Achieve it:

- Reach out to as many chiropractors as I can in the allocated 4 GWS

End of the Day Reflection:

- I felt the diminishing returns by the 4th GWS but I pushed through
- I reached out to a total of 32 chiropractors
- 1 has replied so far and said he's referral only

The Man/Woman You Are Now vs Who You Want to Be (Keep this the same daily, reminding yourself of who it is you are trying to become) :

The man I am now is: a guy who's working on becoming a master at conducting sales calls, delivering tangible results for his current clients, and taking ruthless action on the feedback given to him.

The man I wanna be: a guy who smashes sales calls and isn't afraid to ask for money upfront. Strong, capable, and ready to take on any challenge that comes his way. As a result of this shift, I'll become intermediate followed by rainmaker.

Your Reason *Why* (make this as compelling as possible, keep this the same and pound it into your skull, so you wake up daily with a clear reason) :

- Retire my parents so they can move back to their home country if they please. My parents often talk about their future pensions and how small they will be. I want to make enough money to help them live out their dreams in the last leg of their life.
- Finally prove to others that I can achieve something of importance, aka financial freedom. Growing up, I've always been the underdog. Shitty grades, lack of basic skills, low confidence. I'm hoping that achieving this will give me more time to also focus on other key areas of my life.
- Be seen as a high-value man so I can find the right woman and start a family. I've been single my entire life, mostly by choice. I always felt like I could do more and be more. Achieving financial freedom would certainly help boost my self-confidence.
- Be able to afford the finer things in life. I often picture myself weaving in and out of traffic on the 401 in a supercar of my choice. It would be cool to one day own a Lamborghini Aventador or a Ferrari SF90. Also, the thought of being able to afford a 5,000-square-foot mansion with a custom music studio excites me. There would be plenty of room for activities and family/friend get-togethers.
