The prophets of the Book of Mormon

**Knew that Christ
would be**

A baby born in Bethlehem

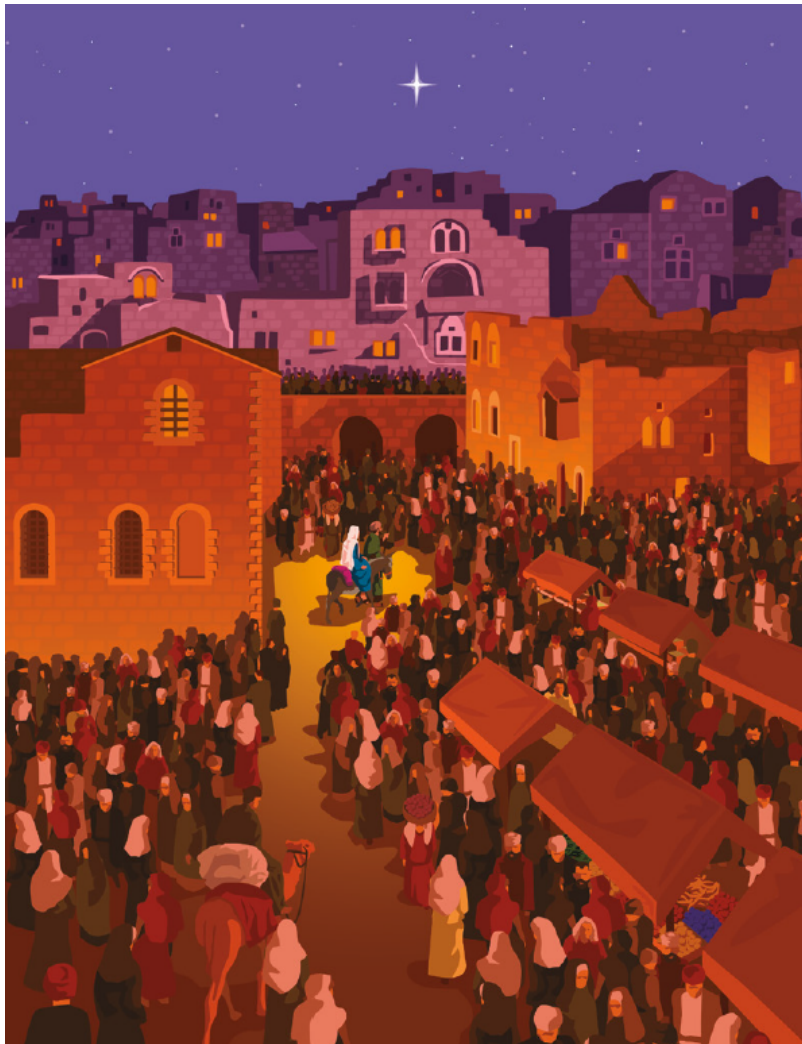

**In a land across
the sea**

**They told the
people they should
watch**

**For a day, a night,
and day
And baby Jesus
would be born**

**In a land far, far
away
This night shall the
sign be given**

**And the King of
Kings shall come
As a baby in a
manger**

**God's own
begotten son
Hallelujah and
Hosannah!**

**The choirs of
angels sing
For on this night, a
tiny child**

**Was born to be our
King**

**The day had come
The sun went down**

**But still the sky
was bright
And then the
people knew that
this**

**Would be the holy
night**

**They saw the star
up in the sky**

**Proclaim Messiah's
birth**

**And they rejoiced
that Christ had
come**

**To live with men on
earth**
