

Reflection Journal**Name:**

Date:	Word of the Day:
Activities:	Other:
Here's how today made me feel regarding a particular student, students in general, teaching, classroom management, and what contributed to it:	
Here's what today made me understand or think about regarding Piaget's developmental theories, Kohlberg's theory of morality, Maslow's hierarchy of needs, Gardner's learning styles, and/or any other developmental or educational theories and what contributed to it:	

Bloom's Taxonomy Activities:	Bloom's Taxonomy Levels:
	Sketch of my feelings:
Notes regarding the overall feel (climate) of the classroom today, what contributed to it, and any patterns that I'm better understanding about the students I'm working with:	
Things I saw that I would like to use or avoid in my own classroom and why:
