Webinar Series Details

Registration & Zoom Link

If you haven't already, [register by going to this link](#). You'll get an email confirmation that includes an option to add the meeting times your calendar as well as the link to click to join the sessions.

Meeting Recordings

Please note all meetings are recorded so the team can improve quality. For those of you wanting to review meeting recordings if you missed something, please email admin@aklearns.org and we'll reply with a link.

Zoom Meeting Norms

1. Make sure your name in Zoom matches the name you registered with.
2. Please enable your camera (if you have the bandwidth) so we can see each other.
3. The chat box will be monitored, please use it to engage with your fellow participants.
4. Mentimeter is best accessed from your smartphone, so have that handy.
5. In breakout rooms please make sure everyone gets a chance to speak.
6. If your breakout room includes too many familiar faces, click Leave Room and you'll be moved to a different room.

UAA Course Credit

The Alaska Smart Start 2020 webinar series has been approved for UAA course credit.

Instructions to register and course syllabus have been [posted here](#).
