

Destiny - Dead Ghost Checklist (The Taken King + House of Wolves + The Dark Below)
Destiny - Dead Ghost checklist
(incl. The Dark Below, House of Wolves and The Dark Below)
Thanks a lot to HolyHa1fDead who put the initial list together :)

UPDATE 1: Two previously glitched ghosts have now been fixed. That's ghost fragment:
Legends 2 (#15 earth) and ghost fragment: The Golden Age 2 (#12 Mars).

Thanks to HolyHa1fDead for the heads up :)

UPDATE 2: I added direct links to the ghosts, which should make navigation a lot easier :)

UPDATE 3: The Dark Below Ghosts added (Ghost 4 is currently unnamed. Will be added)

UPDATE 4: House of Wolves Ghosts added

UPDATE 5: The Taken King Ghosts added

All dead ghosts here are listed by category as they appear on bungie.net. The list contains all the locations of the ghosts and how you can find the ones you are missing with the video guides.

How to find ghosts you are missing with this list

For example: You go to www.bungie.net and see that you have only collected the ghost fragments "Titan" and "Hunter" in the category Guardian/Classes. Now you can check back with the list and see that the missing ghosts "Warlock" and "Warlock 2" can be found on The Tower (2nd ghost in the vid) and Moon (9th ghost in the vid).

Hope that makes sense :)

If you have any questions or found a mistake, please leave me a message at www.youtube.com/user/randomchievos or randomchievos@gmail.com
