

Lunch at CMMS

- Federal funding during the pandemic for school lunch programs has expired and meals are no longer free for all students. Breakfast will cost \$1.35 and \$0.30 for reduced students. Lunch will cost \$2.00 and \$0.40 for reduced students.
- The free and reduced lunch application can be filled out online at <https://www.familyportal.cloud>
- We strongly encourage ALL of our families to complete this application even if you think you may not qualify for free or reduced meals. If ALL of our families complete this form, there is a chance that our building could qualify for free meals for ALL of our students once again.
- Students will type their student I.D. number onto a keypad each day to access their account.
- Student I.D. numbers will be found on the top of the schedules that will be handed out at registration.
- Students should memorize their number before school starts, as it will "speed up" the lunch line.
- At this time, students will be paying for lunches with cash or checks. Checks can be made payable to "Bangor Township Schools".
