Greenfield High School School Counseling Department Mission Statement

Greenfield High School's Counseling Office promotes, supports and advocates for equity, access, and success for all students. Counselors encourage students to develop competencies, knowledge, and agency to become responsible citizens, productive workers, and lifelong learners. As a team, our work focuses on students' interpersonal skills, social and emotional health, academic and career success and strives to help each student to reach their full potential.

"The Greenfield Public School District is a place where every child is supported on their path to success."
