Hello everyone! I am so close to earning the 2024 trip to Mexico but only have until September 30th to do it! I must earn 4500 points which equates to \$4500 in sales and I NEED your help so I'm trying something new!

**EVERYONE CAN BE A HOSTESS
with my \$1,000 Online/Catalog Workshop!**

This is a first-time offering from me – friends say it is fun and customers love it but, in the interests of full disclosure, though I can promise that everyone will earn something free, the dollar value will depend on how many participants we have. Please read on about how it could, ideally, work out for you. If you'd be ordering at least \$100, what's the harm in participating, right? Nothing ventured, nothing gained.

WHY? I am having a \$1,000 Online/Catalog Party to offer everyone a chance to participate in the benefits of being a Stampin' Up! HOSTESS, without leaving the comfort of your home. Yay for you!

HOW? It's easy! Share the catalog with friends & family (or refer them to my online store). The new Mini Catalog goes live September 6th.

Gather your orders and submit an order of at least \$100 (before tax & shipping) directly to me or online using the Hostess Code **R4ET23KQ**. You may submit as many \$100 orders as you like. Each \$100 order will be treated separately. Place two orders, get double the benefits.

WHEN? Starts September 6th and will close as soon as we reach \$1,000 or September 16th, regardless of total. When the workshop hits

\$1000 I will establish a NEW HOSTESS CODE on both my blog and business Facebook page.

My blog: scrapphappensherewithdarla.com

Facebook page: Scrap Happens Here with Darla

WHAT? The goal = for every \$1,000 in orders there will be 10 hostesses who each ordered a minimum of \$100 and will receive \$18 in hostess credit to spend anyway you want! If there are fewer than 10 \$100+ orders, I will divide the hostess dollars equally.

WHAT DOES THAT MEAN FOR YOU? Normally, you need to purchase \$150 in order to earn free hostess dollars/product. By combining with other customer orders like this, you can earn something FREE! You can choose current product, hostess products or even clearance. You'll also receive my monthly gift and 2 Daisies (my loyalty program) with each \$100 order I hear this is very successful so we shall see!

SO, WHAT SHOULD I DO NEXT? Start your wish list then beginning September 6th simply place your \$100+ order in

My online store is shop.scrapphappensherewithdarla.com

Use Hostess Code **R4ET23KQ**

There is NO limit to how many \$100 orders you may submit.

Be sure you are shopping with me! My name and photo appear on the left side at the top of my store!

On September 17th, I will determine the breakdown of the hostess benefits based on the total of all orders that used the Hostess Code and I will immediately email you asking you for your FREE product choice.

As soon your free items arrive at my home, I will ship them to you at my expense.
